- **Review Minutes from 5/30/18 - Minutes approved.**
- **Feedback on August 15 workshops:**

~Debra was at OR and HS that morning and both building had participants who had compliments about the structure and timing of the day. Some folks asked for 2 afternoon sessions as well next year.

~23 workshops were held around 16 had to be canceled(3 or less participants)

~I've turned in the list of instructors to be paid from August 15th to the business office.

~I sent email to district about workshops remaining September to April to sign up for as well as given copies of verification forms.

Thoughts for next year: Could the committee also offer one afternoon session on that day? Because 16 workshops were cancelled this year, it would make sense to put a cap on the number of workshops offered that day (25).

- **Review Course Signup**
There are roughly 100 courses for certified staff to choose from. Erin continues to review participation, cancelling workshops below minimum attendance.
- **Update on district TQ- Coe Symposium**
Ten people have registered. District TQ funds will be used to cover costs. Nathan will send part A and B forms to principals
