Workshop #7: Teaching Writing in a non-Language Arts/English Classroom has been cancelled for October 18th, 2016. Amy Collison was the instructor.

Workshop #81 has been cancelled on October 18th: Extensions of Next Generation Science Standards with Sue Atwater.

- Finalized budget
- **CPI re-certification as workshop - 2017/2018**
 - Session taught by Carol
 - Offered to both certified & classified staff - but classified staff will be paid from a different budget
 - This is for renewal of certification
 - Taught by LM staff & no need for subs
- **Request from some teachers for us to discuss:**

We were just talking in our LEO team about TQSA courses for this year and we had an idea that we wanted to share--take it or leave it. 😊

Because of living out of town, or having kids who are not in day care, or kids that have evening activities, staying late is often tricky. Is it possible to offer some TQSA courses that would happen on that day before school starts in January?

Just a thought!

Thanks!

Brenda B.

This is not a feasible option at this time for the following reasons:

1) Can't do a sign up

- 2) Don't have course offerings

- 4) Attendance is optional
- 5) Plenty of opportunities throughout the course of the year give ample time for all to make arrangements to schedule.

Next Meeting: November 30, 2016

Tentative Agenda Items:

- Final plans for the survey
