Welcome.

Superintendent’s Message

I am so excited to be moving into my second year as Superintendent of the Linn-Mar Community School District! This past year was a great year of learning, listening and leading as I embarked on a 100-day listening and learning tour that culminated with a State of the District Address in January. Within that address I identified three key themes presented to me by Board Members, administration, staff, parents and students!

Those themes of focus were:
1. Learning Pathways
2. Technology as a Learning Tool
3. Future Facility Needs

We then used these themes as a jumping off point for our Thoughtexchange survey and feedback window. I was thrilled to get input from nearly 2,000 community members, staff and students who collectively interacted 162,190 times (that is a LOT of input and feedback!).

The Board of Education, with support from administration and teachers, has used much of this input, as well as input from community members in regular conversation and at scheduled opportunities (like our Saturday morning Coffee Conversation sessions) to begin work on our 10-Year Strategic Plan.

As we continue to be guided by our District mission Inspire Learning. Unlock Potential. Empower Achievement, we will never forget that we are entrusted with the most precious resource in our community…your children.

As Proud Superintendent of the Linn-Mar Community School District,

Quintin Shepherd, Ph.D.
Superintendent

The Vision

2020

PATHWAYS

Board Goal 1: Inspire Learning - Articulate
Implement a pathway and framework for Pre K-14 programming to ensure all students graduate future ready.

Board Goal 2: Inspire Learning - Support
Create an effective and agile organization that is individually responsive to the needs of the whole child.

Board Goal 3: Unlock Potential - Challenge
Become an excellent learning organization through a culture of continuous improvement.

TECHNOLOGY

Board Goal 4: Unlock Potential - Success
Maximize student achievement by increasing digital literacy utilizing 21st century digital tools.

Board Goal 5: Empower Achievement - Involve
Enhance engagement opportunities through focused strategic partnerships.

FACILITY

Board Goal 6: Empower Achievement - Build
Construct physical learning environments using fiscally responsible and sustainable practices.

Above, you can see the skeleton of our 10-Year Strategic Plan’s themes, mission, goals and goal
descriptions in chart form. We are currently (July 2016) in the process of writing our Strategic
Initiatives for each of these goals.

These initiatives will be based upon feedback and guidance from our administrators, teachers,
parents, and students, as well as feedback collected through the Thoughtexchange survey.
Initiatives will be either imminent (happening in the next 3 years), mid-range (happening in
the next 5 years) or long-range (5+ years). Once complete, we will use these Strategic Initiatives
to redesign the Board Administration Report in an effort to be as transparent as possible and
in order to publicly keep everyone (Board and Community) apprised of our work and progress
toward our goals.
The Linn-Mar Community School District is dedicated to promoting an equal opportunity for a quality public education to its students. In cooperation with parents/guardians, the school district will strive to provide a nurturing learning environment that gives guidance and encourages critical thinking in students for a lifetime.

Board of Education meetings are held twice a month at 7:00 p.m. in the Board Room at the Learning Resource Center, 2999 North Tenth Street, Marion.

Board agendas, minutes and policies may be found on the District website at www.linnmar.k12.ia.us.

Community Connections.

Booster Club
The Linn-Mar Booster Club provides financial support for the Linn-Mar Community School District by operating concession stands, extracurricular photo packages, football programs, and clothing through the Lions’ Den Store.

If you would like to become a member of the Booster Club by making a monetary donation, be a concession worker, view the Lions’ Den store or for more information, call (319) 447-3044 or visit us online at www.linnmarboosterclub.org.

Communications
Linn-Mar Community School District is committed to building connections through open communication with our community. We want you to know about the unique student opportunities in our schools. Our goal is to increase awareness, understanding, involvement and support for the Linn-Mar Community School District. Linn-Mar strives to involve our community in district programs and activities with timely, two-way communication through a variety of channels, including our District website, social media pages, newsletters, events and proactive media relations.

Please communicate with us too! Let us know what is happening in your student’s school or classroom so that we can share it with the rest of our community. Linn-Mar invites you to submit story ideas and photos to the Communications Office for sharing with our entire community. We’ve even created a “Story Tip” form on the District website.

Send story ideas to:
Matthew May, Communications and Media Relations Coordinator, mmay@linnmar.k12.ia.us
(319) 447-3005

The Communications Office also acts as a liaison for several other areas that involve our community:

Annual Report to the Community
Each year the District publishes an annual report for the prior school year. This report details, among other things, annual improvement in terms of Iowa Assessments and ACT scores. The report is primarily presented on the District website, but printed copies are available for review at the school buildings and the District office, upon request.

Flyers and the Virtual Backpack
Linn-Mar communication flyers will still come home with your student. However, the District has moved to a Virtual Backpack system for community brochures and flyers. The School Board at Linn-Mar Community Schools has developed guidelines in which all brochures and flyers must now be evaluated prior to posting to the Virtual Backpack on the district website. Specific criteria must be met in order to gain approval to share brochures/flyers. Requests for brochure/flyer approvals for Linn-Mar’s Virtual Backpack should be made to Matthew May, Communications and Media Relations Coordinator, via email at mmay@linnmar.k12.ia.us

Freedom of Information Act Requests
Linn-Mar School District is committed to openness and transparency, and follows the provisions of both federal law and the Code of Iowa in making records available to the public.

The release of student directory information is exclusive and may not be shared. Student directory information changes daily and is intended for ONE TIME USE only. Additional student directory information requests must be made to use information multiple times. Electronic files are not available. There are nominal clerical and supplies costs associated with these requests. Please allow two (2) weeks for fulfillment of all requests.

Requests to review public records or receive copies of District information should be made to Jessica Pfaff, Administrative Assistant via email at jpfaff@linnmar.k12.ia.us or call (319) 447-3114.
Community Connections.

The Linn-Mar Brand
The Communications Office is responsible for the use and licensing of the District logos, mascot, images and promotional material. To request use of the Linn-Mar brand, please contact Angie Morrison, Business Manager, at (319) 447-3673 or amorrison@linnmar.k12.ia.us

The Linn-Mar Logo
©Linn-Mar Community School District. The lion mascot logo and the LM logos are trademarks owned by Linn-Mar Community School District. These logos are also copyrighted by Linn-Mar Community School District. All rights reserved.

The Linn-Mar Mascot
How can I use King?
King should be used as an extension of the Linn-Mar logo (like the Geico gecko). Mascots are used to build relationships with people and get them to root for Linn-Mar. In the case of King, he is “friendly and fun” and is meant to help people feel good about Linn-Mar. When using King, be sure to have the Linn-Mar logo or reference Linn-Mar (minus the logo “Lion”) somewhere visible in your materials.

Linn-Mar School Foundation
The Linn-Mar School Foundation strengthens our community by partnering with businesses and individuals to raise, steward and distribute funds, thereby enhancing educational excellence for present and future Linn-Mar students.

The Linn-Mar School Foundation is a 501(c)3 non-profit organization established in 1985 to support the educational activities of the Linn-Mar School District. Parent Opportunities

Parent Teacher Organizations
Each Linn-Mar elementary school has a PTO which serves as a conduit between parents and their schools. There are many fun and unique ways that the PTO supports their schools, staff and students. If you are interested in joining the PTO, contact your school’s main office.

Parent University
Parent University is an opportunity for our school community to explore current parenting hot topics guided by a resident expert. Sessions are offered in the evening typically at 6:30 p.m. in the Learning Resource Center, 2999 North Tenth Street, Marion, approximately three times per school year.

Volunteer Program
The Linn-Mar Volunteer Program is a vital part of our school community. Our volunteers are passionate about learning and work as part of our team in supporting the education of all students. Volunteers may tutor, read with children or assist in the classroom. Opportunities for our students are expanded by volunteers assisting with field trips and culminating classroom activities. Volunteers meet monthly in our K-5 schools to prepare learning materials for students allowing teachers to spend more time with students.

Linn-Mar Volunteers:
• Are an essential piece in developing our learning community.
• Provided more than 23,800 hours of time assisting staff and students during the 2015-16 school year.
• Receive additional support from the Community Relations Office and their school volunteer coordinator.

 Volunteer Orientation will be held in your school building this Fall, please plan to attend. Contact Karla Terry, Community Relations Coordinator, at (319) 447-3110 or email kterry@linnmar.k12.ia.us to begin the process of becoming an active volunteer at Linn-Mar!

Silver Cords Student Volunteer Program
Teaching our students the value of giving back to their community is important. One way that we encourage students to give back is through volunteering. The Silver Cords program recognizes our graduating students who have volunteered at least 160 hours of service for the Linn-Mar Community Schools District during their four years at LMHS. Recipients of this honor receive a silver cord to be worn during the graduation ceremony.

Students interested in participating in the Silver Cords program should contact the High School at (319) 447-3040.
Past Due Funds & Non Sufficient Funds Notice:

### Student Fee Summary

The Linn-Mar Community School District offers patrons a safe, secure and reliable way to make payments online. Touch Base is our online payment system. A link to this website may be found on the District Homepage or on the School Nutrition Page. Service fees are not charged for essential items such as lunch and instructional materials fees. Other optional products may be offered for online purchase but will have a small convenience charge added.

Please contact Stacey Walker, swalker@linnmar.k12.ia.us or Angie Morrison, amorrison@linnmar.k12.ia.us if you have questions or problems logging into the system.
Health Services.

The health offices in each school are staffed by a registered nurse and trained health associate(s).

**Dental Screenings**

Iowa law requires that any student who is entering kindergarten and ninth grade provide the school with proof of a dental check-up received within the last year.

The goal of this legislation is for each student to receive the benefit of early and regular dental care including prevention. Not only will this assure that children are ready to learn, but it is also an opportunity to provide outreach for those families with no payment source for dental care.

Please take the Certificate of Dental Screening form (found on the Health Services Link of the Linn-Mar website) to your dentist to sign and return it to the health office at your building.

Linn-Mar has partnered with St. Luke’s Dental Health to provide dental screenings. If you prefer that your student not participate in the dental screening or follow-up screening, please provide a written note of your refusal to the school nurse.

**Emergency Contacts**

Should an accident occur or your child becomes ill, the student’s parent/guardian(s) will be notified at once. A student is never sent home unless arrangements are made with authorized persons as identified on the emergency card. At registration you will be asked to supply the phone numbers of emergency contacts other than the primary parent/guardian phone number in case a student becomes ill or is injured. Please be sure that the neighbor, friend, or relative is aware that you have given their number as an emergency phone number. If an emergency exists and no one can be reached, school personnel will contact the hospital or doctor indicated on the student’s emergency records.

If at any time during the school year your emergency contact information changes, please notify the school immediately and update in Power School, so that records may be kept current.

**Head Lice Management**

In accordance with the State of Iowa and Linn County Departments of Health, Linn-Mar Community School District has implemented a community plan that will support families by emphasizing prevention, early detection and education in the management of head lice.

Family involvement is very important in preventing head lice outbreaks and families must actively participate at home in the treatment and control of head lice. Our goal is to support families and keep students in school.

Students with evidence of head lice will not be excluded from school. Treatment is recommended before returning to school. For more information visit: www.idph.state.ia.us or www.cdc.gov/lice/head.

**Healthy Kids Act**

The Healthy Kids Act was signed by Governor Culver in 2008 and:

- requires school districts to ensure every student in grades K-5 has 30 minutes per day of physical activity and every student in grades 6-12 has 120 minutes per week of physical activity
- requires every student to complete a course that leads to certification in cardiopulmonary resuscitation (CPR) by the end of grade 12

**Healthy Kids Initiative**

Linn-Mar is committed to promoting the health and well-being of our students. Procedures will provide students with healthier lifestyle choices regarding birthday celebrations in the classroom. Student birthdays may be celebrated at school, however, students will be encouraged to no longer bring food or beverages to share with classmates. Instead, birthdays can be celebrated with non-food options. Please contact your child’s school with any questions.

**Hearing Screening**

Grant Wood AEA screens all students in ECBP, K, 1, 2, and 5th grades within the Linn-Mar Community School District. Students in other grades may be tested if there is a known history of hearing loss or if the student is new to the school and does not have a documented normal hearing test. Parents who do not want their child’s hearing tested will need to indicate that request in writing to their school health office at the beginning of the school year. Follow-up testing may occur periodically if previous test results were not within normal limits. Parents with concerns about their child’s hearing should contact their school nurse.

**Immunizations**

The State of Iowa requires that all children be immunized before they may attend school. As your child receives boosters, please submit...
an updated immunization record to the health office. Your student’s records will be checked. If he/she is not properly immunized, you will be notified of what steps to take to ensure that your student may remain in school.

Is my Child too Sick for School?

Each day many parents are faced with a decision: should they keep their sick children home or send them off to school? The following guidelines, recommended by experts at the Mayo Clinic, should be considered when making this sometimes difficult decision. A student should remain home when he or she:

- Vomits or has diarrhea in the last 24 hours.
- Has an oral temperature higher than 100 degrees in the last 24 hours without fever reduction medication.
- Coughs almost constantly or complains of difficulty breathing.
- Shows symptoms or has been exposed to contagious diseases.

Keeping a sick child home prevents the spread of illness in the school. It also allows the child to rest and recover. A sick child cannot learn effectively and is unable to participate in classes in a meaningful way. If you have questions, please contact the school nurse.

Medication in School

Prescription and non-prescription medications will only be administered during the school day with written authorization from the parent/legal guardian (page 40 of this Handbook).

Prescription medication must be supplied to the school in the labeled prescription container. The label must include the name of the student, the name of the medication, dosage prescribed, frequency to be given, and the name of prescribing physician. The medication permission form signed by parent/legal guardian must be on file.

Non-prescription medication must be supplied to the school in the original container and labeled with the student’s name. For Preschool through 8th grade students, a physician/dentist signature is required before any non-prescription over-the-counter medications will be given. This includes acetaminophen, ibuprofen, cough medications, etc. For high school students, in accordance with Health Services protocols for common complaints of pain or illness, may have limited, non-prescription medications with written authorization from parent/legal guardian.

In accordance with Iowa law (Code 280.16) a student with asthma or other airway-constricting disease may possess their medication while in school and at school sponsored activities. If the student abuses self-administration, permission to self-administer may be withdrawn. The district shall incur no liability of an injury arising from self-administration. The student is responsible for maintaining a self-administration record. A medication to carry permission form must be authorized in writing by physician and parent/legal guardian.

All medication must be delivered to and from school by a parent/legal guardian. No medication is to be kept by students in their desks, lockers, or on their person.

Physical Examinations

Grades K-6: Physical examination is recommended.

Grades 7-8: Physical forms are required for seventh and eighth grade students involved in athletics.

Grades 9-12: Physical forms are required for all students participating in athletics and recommended for all freshmen students.

Physical forms are available at www.linnmar.k12.ia.us and on pages 36-37 of this handbook.

Enrollment

Enrollment Requirements
Children in the school district community will be allowed to enroll in the school district’s regular education program beginning at age five. The child must be age five on or prior to September 15 to participate in the school district’s kindergarten program. The child must be age six on or prior to September 15 to begin the first grade of the education program.

The Board requires evidence of age and residency in the form of a birth certificate or other evidence before the student may enroll in the school district’s education program.

Parents of students enrolling for the first time, must show proof of residency in the Linn-Mar Community School District. Current dated documents (within 30 days of registration) that may be used to demonstrate residency in the district include:

- Rental agreement or lease
- Proof of purchase or mortgage statement
- Utility billing statements (water, telephone, cable service, electricity/gas, etc.)
- Financial statements (credit card, bank, investment statements, etc.)

Prior to enrollment, the parent must provide the administration with their child's health and immunization certificate.

Boundaries
Elementary boundary areas for Linn-Mar Community Schools are based on growth and balance enrollment across the district. Indian Creek Elementary, Linn Grove Elementary, Novak Elementary and Wilkins Elementary feed into Excelsior Middle School. Bowman Woods Elementary, Echo Hill Elementary and Westfield Elementary feed into Oak Ridge Middle School.

Both middle schools feed into Linn-Mar High School. A map showing school boundaries can be found on the District website or at any of the school buildings.

Open Enrollment
Iowa law allows parents/guardians to enroll their child in a public school district other than their district of residence by completing the open enrollment application. For those enrolling their child(ren) in a non public school, transportation reimbursements are available.

Students considering open enrollment into another Iowa public school district should be aware of the following:

- The deadline for filing an Open Enrollment Application for students in grades 1-12 is March 1, 2017.
- The deadline for students entering kindergarten is September 1.

Parents and guardians of open enrolled students whose income falls below 160 percent of the federal poverty guidelines are eligible for transportation assistance. Parents should also be aware that open enrollment might result in the loss of athletic eligibility.

How do I apply?
You may request an open enrollment application from any Iowa school district, area education agency or the state department of education. An application must be completed for each child and filed with the resident school district. Please note that application approval will be based, in part, on the school district’s ability to provide appropriate classroom space to students.

When do I apply?
Forms must be filed with the resident district by March 1 of the school year preceding the school year for which open enrollment is requested. For example, an application must be filed by March 1, 2016 in order to be approved for the 2016-17 school year. For Kindergarten students the deadline is September 1, 2016. Students may qualify for “good cause”, such as a change in the state in which the family residence is located.

Does each child need to file an application?
Yes.

Do I need to file a new application each year?
No. Once an application is approved, your child may continue in the receiving district until they graduate, or you move from your resident district.

continued >>
Can I choose which school my child will attend?
Accepted open enrollment students will be placed in buildings in which space is available in their grade level. Every effort is made to place students in their school of choice and with their siblings.

Is there any cost involved?
Your resident school district will be responsible for paying the cost of tuition each year for your child to attend school in the receiving school district. However, all miscellaneous registration fees for participation in the educational programs will be your responsibility.

Can my request be denied?
A request will be denied if filing deadlines are not met, if the resident district has a desegregation plan that would be adversely affected, if there is not classroom space for the student, or if the student is under suspension or expulsion from his/her current school district.

Do we need to open enroll if we move out of the district and want to remain in the same school district?
Yes. You must file for open enrollment when moving to a different district. Applications must be received within a reasonable length of time.

What if we move to another district after we file for open enrollment and want to continue to attend in the current district?
Simply send written notification to the new district, the resident district and the current district that you wish to transfer your open enrollment to the new district.

This applies to a move within Iowa only. Out of state residents are not eligible for open enrollment and would need to pay tuition to continue.

May an 11th or 12th grade student complete his/her education at the resident district if his/her family moves to another district?
Yes. See Iowa Code 257.6(d).

11th and 12th grade nonresident students who were residents of the district during the preceding school year may be enrolled in that district until they graduate. An open enrollment application is not required.

Will the district provide transportation for my child?
Parents/guardians of open enrolled students whose income falls below 160 percent of the federal poverty guidelines are eligible for transportation assistance. This may be in the form of actual transportation or in the form of a cash stipend.

Does open enrollment affect athletic eligibility?
Students in grades 10-12 who transfer school districts through open enrollment have a 90 day waiting period to participate in athletic competition, although they may practice with the team during this time.

Attendance Exception Requests
Parents/guardians of Linn-Mar resident students wishing to attend a Linn-Mar school outside their assigned attendance center area must submit their annual request for an attendance exception request in writing by March 1. Letters may be mailed to Shannon Bisgard, Associate Superintendent, 2999 North Tenth Street, Marion, IA 52302 or emailed to sbisgard@linnmar.k12.ia.us

Requests will be evaluated after an assessment of classroom seat space is made. Requests are NOT guaranteed from year to year. Interested parents should be aware that transportation is NOT available to students receiving approval for an attendance center request.

Early Childhood
ECBP (Early Childhood Blended Program)
Children not yet ready for our standard kindergarten program will be offered all day programming. ECPB locations for the 2016-17 school year will be Linn Grove and Novak Elementary. Half of the day will be devoted to a blended classroom that includes four year old children and will focus on social, emotional, and behavioral growth while still supporting academics. The other half of the school day will have a literacy and math focus with only five year olds attending.

Enrollment in this program will be determined by data collected from parents and through a screening process to help identify how we can best meet your child’s needs. To aid in this process, parents are asked to fill out the Linn-Mar Kindergarten Information Sheet. A year of kindergarten is typically followed by a year of full day Kindergarten. A student attending ECPB would be considered as being retained in Kindergarten. Parents should also plan on attending the Kindergarten Information Night at their neighborhood schools, generally held in January.

The Linn-Mar Community School District shall accommodate requests from parents or students to be excused for religious reasons from curricular, co-curricular or extra-curricular activities without penalty. When students are excused for religious reasons from curricular activities, teachers shall make available a comparable educational experience.

receive credits that count towards graduation requirements at community colleges, private colleges, or state universities. The following factors shall be considered in the Board’s determination of whether a student will receive academic or vocational-technical credit toward the graduation requirements set out by the Board for a course at a post-secondary educational institution:

• The course is taken from a public or accredited private post-secondary educational institution.

• A comparable course is not offered in the school district. A comparable course is one in which the subject matter or the purposes and objectives of the course are similar, in the judgment of the Board, to a course offered in the school district.

• The course is in the discipline areas of mathematics, science, social sciences, humanities, vocational-technical education, or a course offered in the community college career options program.

• The course is a credit-bearing course that leads to a degree.

• The course is not religious or sectarian.

• The course meets any other requirements set out by the Board.

Students in grades 11-12 who take courses, other than courses taken under an agreement between the school district and the post-secondary educational institution, shall be responsible for transportation without reimbursement to and from the location where the course is being offered.

Ninth and 10th grade talented and gifted students and all students in grades 11-12 will be reimbursed for tuition and other costs directly related to the course up to $250.

Students who take courses during the summer months when school is not in session shall be responsible for the costs of attendance for the courses.

Students who fail the course and fail to receive credit will reimburse the school district for all costs directly related to the course.

Questions/Concerns/Appeals
(see Board Policy 502.12 on page 33)

Religion in the Schools
The Linn-Mar Community School District believes there is value in diversity and appreciates the constitutional context in which schools must function regarding religious liberty and the First Amendment.

Religious Expression
The right of students to engage in religious activity and discussion shall be respected. For example, individual students are free to pray, read their scriptures, discuss their faith, and invite others to join their particular religious group as long as such behaviors are not disruptive or coercive. Students shall have the right to express their religious views when those views are relevant to the subject under consideration or meet the requirements of the assignment.

Students may form religious clubs which shall have access to school facilities on the same basis as other non-curriculum-related student clubs. Participation in such clubs must be voluntary and student-initiated. The club may not be sponsored by the school or school district employees.

Non-school persons shall not direct, conduct, control or regularly attend meetings of such clubs. School district employees may be present at religious club meetings in a supervisory capacity, but they shall not participate in club activities. Any club activity that is illegal or that would cause substantial disruption of the school shall be prohibited.

When acting on behalf of Linn-Mar Schools, employees shall be neutral among religions and between religion and non-religion. School district employees shall not organize, mandate or participate in student religious activities, including prayer.

School Activities and Programs

The historical and contemporary significance of religious holidays may be included in the education program provided that the instruction is presented in an unbiased and objective manner. The selection of holidays to be studied will take into account major celebrations of several world religions, not just those of a single religion. Music, art, literature and drama having religious themes will be permitted if presented in an objective manner.

The use of religious symbols are permitted as a teaching aid, but only when such symbols are used temporarily and objectively to give information about a heritage associated with a particular religion. The Christmas tree, Santa Claus, Easter eggs, Easter bunnies and Halloween decorations are secular, seasonal symbols and as such can be displayed in a seasonal context.

Teaching About Religion

Religious holidays offer opportunities to teach about religions. The observance or celebration of a religious holiday in the school raises sensitive issues for people who observe the holiday and for those who do not. School district employees and students are permitted to observe their religious holidays in the schools so long as the observance is not disruptive. School district employees will not force students to participate in the celebration or observance of any religious celebration.

Teacher Leadership Program at Linn-Mar

This is the third year of Teacher Leadership at Linn-Mar. In March of 2013, Linn-Mar was one of 38 school districts awarded the Teacher Leadership Grant by the Iowa Department of Education. The grant funding totals $2.1 million annually for the next three years with a yearly percentage increase equal to the supplemental aid percentage determined by the Legislature. The goals of the Linn-Mar Teacher Leadership Program (TLP) are:

- Attract and retain new teachers by providing ongoing professional development, classroom support, and a comprehensive mentoring program for first and second year teachers
- Provide increased opportunities for collaboration between teachers
- Reward Professional Growth by providing increased professional development and leadership opportunities for teachers and staff
- Teacher Leadership works to improve instruction and increase student achievement
- Utilize existing structures such as Professional Learning Communities, Standards Based Curricula and Assessment, and Multi-Tiered Systems of Support (MTSS) to advance student learning

All Linn-Mar teacher leaders will work within the schools to build learning communities, communicate with stakeholders, and continue to grow their knowledge base of content, instructional strategies, and professional decision while collaborating with all educators to enhance student learning and achievement.

District-wide coordinators for the TLP are Debra Barry and Erin Watts. They will support 21 teachers who have been released from their classroom teaching assignments to work within the schools and approximately 100 teachers who will remain in their classroom teaching assignments while serving teachers within their schools.

Teacher Qualifications

Parents and guardians in the Linn-Mar Community School District have the right to learn about the following qualifications of their child’s teacher: state licensure requirements for the grade level and content areas taught, current licensing status of the child’s teacher, and baccalaureate/graduate certification/degree. The Linn-Mar Community School District ensures that parents will be notified in writing if their child has been assigned, or has been taught by a teacher for four or more consecutive weeks by a teacher who is not considered highly qualified.

Technology and the Internet
(see Board Policy 603.12 on page 33)

The mission of the Linn-Mar Technology Services Team is to provide the most efficient technology solutions, based on educational and industry standards, to foster the acquisition of 21st Century skills for students and staff.

We focus on being excellent service providers to our students, teachers and District by creating a continuous learning environment, utilizing technology best practices, proper life-cycle planning, and delivering seamless integration of technology.

Student Internet Access & Online Accounts

Students will have access to the Internet at school for educational purposes and will be assigned a Microsoft Office 365 Student Account and/or Google Apps for Education Account that includes email and other Office 365/Google services without written consent unless qualified objectors comply with the following procedure:

If any parent or guardian objects to their student having access to the Internet at school for educational purposes, or objects to their student having access to a Microsoft Office 365 / Google Apps for Education accounts, they should contact their building principal in writing by September 15 of each school year (or within two weeks of the student’s enrollment should it occur after this date).
Nutrition Services.

The Healthy Hunger Free Kids Act marked the most comprehensive changes to the school nutrition environment in more than a generation.

How the HHFKA impacts our program:
• Breakfast served at all buildings.
• Increased servings of fresh fruits and vegetables.
• Whole grains are prevalent in all meals.
• Daily salad bar offered at middle schools and high school.
• Students must select ½ cup serving fruit or vegetables at breakfast and lunch to make a meal. The “meal deal” is the best value for price and nutrition. A lunch meal includes a choice of entrée, up to three sides, and milk.

Students with special dietary needs
• Students with a disability requiring special dietary needs can be accommodated in the school nutrition program.
• Children without a disability, but with special health needs, may request the school nutrition program meet their needs.
• Meal modifications based on personal opinions or preferences are not allowed by USDA.
• Students who have an allergy to milk must present a statement from their physician documenting the allergy. Lactose free milk will be substituted upon request.

If you are interested in finding out specific nutritional information about our school meals, please contact Susan Knight, Nutrition Services Manager, at (319) 447-3302 or sknight@linnmar.k12.ia.us Comments and suggestions are welcome.

A la Carte Purchases
• Milk is an a la carte item if purchased separate from a meal. The cost is $.50 for all students regardless of their eligibility for free or reduced meals.
• Middle and high school students are offered a variety of “a la carte” items for breakfast and lunch. These items are available, and priced the same, for all students. If a student is eligible for free or reduced meals and would like to purchase a la carte items, money may be deposited in their meal account to cover these purchases. Signs are posted in the cafeteria listing individual prices. All a la carte items meet Smart Snacks requirements.

Meal Assistance (Free/Reduced Price Meals)
• Your family may qualify for free or reduced priced meals.
• A new application must be on file each school year.
• Forms are available at each school and on the Linn-Mar website. They may be returned to any school office or directly to the Nutrition Services office.
• You may apply for meal assistance at any time during the school year.

Total Access
Total Access is a web based program where parents may review meal account deposits, purchases and receive email notification of low account balances.

How do I access information?
You may access Total Access via the Linn-Mar home page at www.linnmar.k12.ia.us. Follow the “Quick Link” for Nutrition and look for Total Access. If you are a new user and need assistance, contact Ruth Noth at rnoth@linnmar.k12.ia.us.

Stay up to date. Keep your email address up to date in PowerSchool so you continue to receive low account balance reminders.

What is a family account?
Everyone in your household has been linked to one account. Money deposited into each student account is available for all family members linked to that account.

Total Access allows parents to control a la carte spending. If you would like us to set limits for extra purchases, contact Ruth Noth at rnoth@linnmar.k12.ia.us.

How do I make a payment?
Funds may be deposited electronically to your family meal account. On the LM home page, follow the “Quick Link” LM Online Payments Portal. You may log in by entering the user name and password used for Linn-Mar’s electronic registration. This is NOT the same username and password used for Total Access. You may deposit funds directly from your checking account or by using a credit/debit card. Electronic deposits are credited to student accounts at 9:00 a.m. each day. If your transaction is done after 9:00 a.m., funds will not be available until the following day.

ID Cards. Cards are provided free of charge at the beginning of each school year. In the event a card is lost, replacement cards may be purchased for a fee of $5.00 (Grades 6-8) and $6.00 (Grades 9-12.)

Asbestos

The Linn-Mar Community School District is required annually to notify parents, students and employees regarding asbestos. The school district has a management plan and is following that according to the AHERA guidelines. The management plan is located in the office of each school; copies are also available in the Learning Resource Center. The entire district continues to operate under the guidelines of AHERA in order to provide a safe environment for students and employees. Three-year reinspection and six-month surveillance was completed by an Iowa Licensed and EPA certified contractor.

Safety at Linn-Mar

Making schools a safe and secure place for students and staff is one of the main concerns of the Linn-Mar Community School District. Every building has procedural plans in place regarding the following safety measures:

- A complete review and update of the district’s emergency guidelines with input from the police and fire departments and emergency management agency has been made.
- All staff and adult guests in our buildings are directed to wear name badges so students can identify a "safe" person.
- All buildings will continue to use special locking procedures for the doors to each building; only designated doors will be used for entrances with all others locked from the outside entrance.
- Any rumors, threats, or reported concerns of safety will be investigated immediately.
- The Linn-Mar Community School District works closely with the Marion Police Department to notify parents when a person on the Iowa Sex Offender registry moves into a school attendance area. Ultimately, though, it is the parent’s responsibility to be informed of possible sex offenders living in their neighborhood. A searchable database of sex offenders is available online at www.iowasexoffender.com.
- Linn-Mar Community School District has a partnership with the Marion Police Department which includes school visits by day shift police officers. Officers visit schools periodically to become more familiar with the buildings, talk with staff members, and interact with students at recess and other appropriate times. Families and community should expect to see the presence of the officers daily at the schools.

Student Insurance
(see Board Policy 504.8 and 504.9 on page 33)

It is strongly recommended that a student be adequately insured. A policy from an outside vendor is available through the school district upon request.

Special Education is specially designed instruction. This instruction means adapting as appropriate to the needs of an eligible child the content, methodology, or delivery of instruction to address the unique needs of the child that result from the child’s disability. This ensures access to the general curriculum so that the child can meet the educational standards within the jurisdiction of the public school district.

Special Education is provided at no cost to the parent, to meet the unique needs of a child with a verified disability, including classroom instruction, home instruction, instruction in hospitals and institutions, and instruction in physical education. The term may include transportation services, vocational training, vocational education, speech-language pathology, occupational therapy and physical therapy.

Linn-Mar Community School District is in partnership with Grant Wood Area Education Agency to provide services for students who qualify for an individualized education program (IEP). With this, a student verified as having autism, behavior disorder, developmental delay, hearing impairment, mental handicap, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech language impair-

ment, traumatic brain injury, or visual impairment may be placed in regular education with support services or may benefit from a special education classroom or service.

Individualized Education Program (IEP)

Each student eligible for special education services must have a written IEP prepared by the staff in cooperation with parents which specifies programs and services that will be provided by the schools. If necessary, the District will arrange for interpreters or other assistants to help parents in preparing and understanding the IEP. Once in place, the program is reviewed on an annual basis with the parent.

Parents will be notified of the persons who will be in attendance. The IEP conference shall include at least the following:
1. A representative of the School District;
2. An individual who can interpret the instructional implications of evaluation results;
3. One or both parents;
4. The child (when appropriate);
5. At least one general education teacher if the child is, or may be participating in the general education environment;
6. At least one special education teacher;
7. Other individuals, at the discretion of the parent or School District.

It is permissible for parents to bring other persons to the IEP meeting, but it is a good idea to inform the school before the scheduled meeting.

The School District will provide parents with a copy of the IEP.

Counseling Services
(see Board Policy 604.1 on page 32)

English Language Learners
The English Language Learners (ELL) Program at Linn-Mar is designed to help students acquire the English Language. We work with students whose first language is not English, or who speak more than one language at home.

The Linn-Mar Community School District has ELL services at all 10 schools. Students are able to attend their neighborhood school, and the ELL teachers travel from building to building. The ELL teachers work to help support students in the general education classrooms along with teaching skills in speaking, listening, reading, and writing in English.

At the elementary level, students spend most of their day in the classroom with their English speaking classmates, with some daily small group instruction time for English Language instruction. During small group instruction, students work on the five areas of language: speaking, listening, reading, writing, and comprehension. The elementary ELL curriculum is content based, and students work on language acquisition through the areas of science and social studies.

At the middle school and high school, students spend one period or more a day in ELL class where we use a research based curriculum and a combination of other materials to work on reading, writing, speaking, listening, and comprehension. We also work closely with the content teachers to assist students in comprehension and completing assignments.

Nonpublic School Students

Students in the state-approved nonpublic schools may participate in special education programs in the same manner as public school students.

Placement

The student’s placement in a special education program is dependent on the student’s educational needs as outlined in the Individualized Educational Program (IEP). The School District must assure that students with disabilities, are educated to the maximum extent possible within the least restrictive environment. Students are entitled to have supplementary aids and services to help them in a general educational setting.

Determination of a student’s educational placement will be made by the IEP team of persons who know the student and who understand the tests and procedures that assess the student’s learning abilities. Team members know the available programs and services which might help the student. Parents are asked for written consent to determine whether or not they approve the educational placement recommended for their child. If the parent does not speak English or is hearing impaired, an interpreter may be requested.

Transportation of Students Receiving Special Education

The IEP team will determine eligibility concerning specialized transportation services. Students assigned to special education programs requiring attendance at schools outside their regular attendance area will be transported.

Individual special conditions may warrant special education students to be transported to their assigned schools.

Section 504 Compliance - Student and Parental Rights

(see Board Policy 104.1 on page 33)

The Linn-Mar Community School District does not discriminate in its educational programs and activities on the basis of a student’s disability. If it is determined that your child has a qualifying disability for which accommodations may need to be made to meet his or her individual needs as adequately as the needs of other students. As a parent, you have the right to the following:

- Participation of your child in school district programs and activities, including extracurricular programs and activities, to the maximum extent appropriate, free of discrimination based upon the student’s disability and at the same level as students without disabilities;
- Receipt of free educational services to the extent they are provided students without disabilities;
- Receipt of information about your child and your child’s educational programs and activities in your native language;
- Notice of identification of your child as having a qualifying disability for which accommodations may need to be made and notice prior to evaluation and placement of your child and right to periodically request a re-evaluation of your child;
- Inspect and review your child’s educational records including a right to copy those records for a reasonable fee; you also have a right to ask the school district to amend your child’s educational records if you feel the information in the records is misleading or inaccurate; should the school district refuse to amend the records, you have a right to a hearing and to place an explanatory letter in your child’s file explaining why you feel the records are misleading or inaccurate;
- Hearing before an impartial hearing officer if you disagree with your child’s evaluation or placement; you have a right to counsel at the hearing and have the decision of the impartial hearing officer reviewed. Inquiries concerning the school district’s compliance with the regulations implementing Title VI, Title IX, the Americans with Disabilities Act (ADA), § 504 or Iowa Code § 280.3 should be directed to the Executive Director of Student Services.

Student Assistance Programs

The Student Assistance Program is a school-based comprehensive prevention, intervention, and counseling program for students in grades preK-12 characterized by a team approach. This professional, systematic process is designed to provide education, prevention, early identification, intervention, referral, counseling and support services for students with at-risk behaviors continued >>

which are interfering with their ability to achieve to their fullest potential.

This positive influence of the Student Assistance Program encourages student success in the school environment, fosters risk reduction, provides a safe environment and promotes opportunities for knowledge, skill and attitude development. Key components are developmental curriculum and education, policy, staff and community in service and education, early identification, counseling support process, use of community resources, and ongoing evaluation.

District Programs:

Olweus: Olweus (pronounced O l-VEY-us) Bullying Prevention Program is a comprehensive school-wide program used in all Linn-Mar schools. The goals are to enhance positive relationships by reducing and preventing bullying problems among school children and to improve peer relations at school. The program has been found to reduce bullying among children, improve the social climate of classrooms, and reduce related antisocial behaviors, such as vandalism and truancy.

Olweus is a research based preventative and problem solving program focused on changing norms and behavior. The program principles include development of a school environment characterized by warmth and positive interest, involvement from adults and adults acting as authorities and positive role models. The Olweus “School Rules” against bullying are: “We will not bully others, we will help students who are bullied, we will include students who are easily left out, and when we know somebody is being bullied we will tell an adult”.

Student Support Groups:

A variety of support groups are offered addressing issues students may face in day to day life.

Elementary School Programs:

Homework Clubs: Structured study time with staff members after school hours.

LifeSkills: A research based program that consists of three major components covering the critical domains found to impede drug use. Research has shown that students who develop skills in these three domains are far less likely to engage in a wide range of high-risk behaviors. The three components include:

• Drug Resistance Skills enable young people to recognize and challenge common misconceptions about tobacco, alcohol and other drug use. Through coaching and practice, they learn informational and practical ATOD (Alcohol, Tobacco, and Other Drug use) resistance skills for dealing with peers and media pressure to engage in ATOD use.

• Personal Self-Management Skills teach students how to examine their self-image and its effects on behavior; set goals and keep track of personal progress; identify everyday decisions and how they may be influenced by others; analyze problem situations, and consider the consequences of each alternative solution before making decisions; reduce stress and anxiety, and look at personal challenges in a positive light.

• General Social Skills teach students the necessary skills to overcome shyness, communicate effectively and avoid misunderstandings, initiate and carry out conversations, handle social requests, utilize both verbal and nonverbal assertiveness skills to make or refuse requests, and recognize that they have choices other than aggression or passivity when faced with tough situations.

Mentor Program: The elementary mentoring program consists of staff members being paired with elementary students, as well as, high school students paired with elementary students. Mentor pairs take part in several different activities such as: playing games, homework help, study skills, eating lunch together.

Transportation.

Transportation eligibility is based on a student’s residence (home address). The District provides transportation privileges for elementary and middle school students whose residence is two or more miles from their attendance center and high school students whose residence is more than three miles away.

Prior approval is needed from the Transportation Department if a student wants to ride on a route to which they are not assigned. If your student must ride on a route to which they are not assigned, a parent/guardian needs to call the Transportation Office at 447-3030 by 2:00 p.m. the day of to authorize. Without prior authorization through the Transportation Office, students attempting to ride a route to which they are not assigned will be sent to their assigned bus or the school office. Notes or approval from school offices are not means of sufficient notification.

Students should plan to arrive at their assigned bus stop at least five minutes prior to their scheduled pick up time, to allow for variations in arrival time resulting from traffic, etc. If a student stop is across a busy thoroughfare, they should wait until the bus arrives to aid them safely across.

Buses are sometimes delayed by weather, traffic, mechanical issues, etc. If your bus is delayed, please know that a bus WILL still be coming to your stop. For more information, contact the Transportation Department at (319) 447-3030.

Getting On and Off the Bus
- Enter the bus in line with younger students in front, and hold the handrail while going up and down stairs.
- When entering the bus, go directly to a seat. Remain seated and facing forward for the entire ride.
- Always speak in a quiet whisper on the bus so the driver will not be distracted.
- Never throw things on the bus or out the windows.
- Keep the aisles clear at all times. Feet should be directly in front of you on the floor and both hands should be kept on your lap.
- Never play with the emergency exits. If there is an emergency, listen to the driver and follow instructions.
- Large instruments or sports equipment should not block the aisle or emergency exits.
- Remain seated until the bus stops completely.
- Always be silent when the bus comes to a railroad crossing so the driver can hear if there is a train coming.
- Hands should be kept to yourself at all times while riding on the bus. Fighting and picking on others creates a dangerous bus ride.
- When it is necessary to cross the street, wait for the bus to arrive, watch for red flashing lights and the stop sign to be extended, and cross only when all traffic has stopped. Look left, right, and left again before crossing.
- Only get on and off the bus at your designated stop. If you need to get off the bus somewhere else, your parents need to call the Transportation Office.
- If you leave something on the bus, never return to the bus to get it. The driver may not see you come back and the bus may begin moving. Please contact the Transportation Office if you have left something on the bus.

Have you moved during the summer?
Call the Transportation Office at (319) 447-3030 to place students on a bus list. All new families should call.

Bus Procedures
Please discuss the following transportation safety tips with your student.

Walking to the Bus Stop
- Always walk to the bus stop. Never run.
- Walk on the sidewalk. If there is no sidewalk, walk on the left facing traffic.
- Always arrive at the bus stop at least five minutes before the bus is scheduled to arrive, to allow for fluctuations in arrival times that could result from traffic issues.
- While at the bus stop, wait quietly in a safe place well away from the road. Do not run and play while waiting.

Transportation.

- Always make sure that drawstrings and other loose objects are secure before getting off the bus so that they do not get caught on the handrail or the door.
- Respect the “Danger Zone” which surrounds all sides of the bus. Always remain 10 steps away from the bus to be out of the Danger Zone area and where the driver can see you.
- Always cross the street in front of the bus. Never go behind the bus. **Wait for the driver to signal before crossing.**
- If you drop something near the bus, tell the bus driver before you attempt to pick it up so the driver will know where you are.
- Never speak to strangers at the bus stop and never get into a car with a stranger. Always go straight home and tell your parents if a stranger tries to talk to you or pick you up.

The Bus Driver

- Always obey the bus driver.
- If someone bothers you on the bus, tell the driver right away.
- If you need to talk to the bus driver, wait for the bus to stop, raise your hand, and call the driver’s name.

    The bus driver is in charge of your safety. He/she has the right to assign seats and initiate disciplinary reports (bus tickets).

**Use of Cell Phone on the Bus:**

Cell phone use is now allowed on District buses. Students using cell phones disruptively, using cell phones to video or photograph others, or to display objectionable materials will be subject to progressive discipline.

**Things you should do while riding the bus:**

- RESPECT the Driver.
- RESPECT each other.
- RESPECT yourself.
- RESPECT District property.
- Please keep food, drinks, and gum in your book bag.
- Remain in your seat, face the front of the bus, and speak to your neighbor in an indoor voice.

THANK YOU!

**Student Conduct and Discipline:**

The goal of the Linn-Mar Transportation Department is to provide each student with an emotionally and physically safe ride to and from school.

The School District has posted student behavior guidelines, which apply to all students, whether in the classroom or while being transported on district vehicles.

In the event that a student violates these behavior guidelines, the district utilizes a progressive discipline program based on violation severity and repetition. Bus drivers initiate disciplinary reports (bus tickets) in the event of such violations. Copies of these reports are sent home with the student and are mailed to the student’s home as well. A student’s eligibility to ride the school bus may be suspended or revoked as a result of violating conduct guidelines, applicable laws, and/or policies.

For more details on student conduct and discipline, see the “Student Conduct and Discipline Statement” brochure on the Transportation Office web page.

**Daycare Transportation (K-8 Students)**

The transportation of students to daycare provider sites are provided as a courtesy by the Linn-Mar Community School District with the following conditions:

1. The student must be eligible for transportation services, based on the student’s primary home address.
2. The daycare provider must be located in a bused area within the student’s attendance center boundary.
3. There is an available seat on the corresponding bus.
4. The bus will not change its route or make additional stops to deliver the daycare student.
5. Daycare transportation will be limited to ONE location, Monday through Friday.
6. Changes/requests must be received at least two weeks in advance of anticipated start date.

To apply for daycare transportation, please fill out and return the application on page 54 of this handbook.
Board Policies.

Annual Notice on Corporal Punishment
(Board Policy 502.7)

State law forbids school employees from using corporal punishment against any student. Certain actions by school employees are not considered corporal punishment. Additionally, school employees may use “reasonable and necessary force, not designed or intended to cause pain” to do certain things, such as prevent harm to persons or property.

State law also places limits school employees' abilities to restrain or confine and detain any student. The law limits why, how, where, and for how long a school employee may restrain or confine and detain a child. If a child is restrained or confined and detained, the school must maintain documentation and must provide certain types of notice to the child's parent.

Corporal punishment may not be used to discipline students. However, reasonable physical force may be used upon a student with or without advance notice when the use of such force is deemed essential by a reasonable person for the following purposes:

- To quell a disturbance or prevent an act that threatens physical harm to any person.
- To obtain possession of a weapon or other dangerous object within a pupil's control.
- For the purposes of self-defense or defense of others as provided for in Iowa Code section 704.3.
- For the protection of property as provided for in Iowa Code section 704.4 or 704.5.
- To remove a disruptive pupil from class or any area of school premises or from school-sponsored activities off school premises.
- To protect a student from the self-infliction of harm.
- To protect the safety of others.

If you have any questions about this state law, please contact your school. The complete text of the law and additional information is available on the Iowa Department of Education's website: www.iowa.gov/educate.

Anti-Bullying/Harassment Policies
(Board Policy 104, 403.13, 403.14)

Harassment and bullying of students and employees are against federal, state and local policy, and are not tolerated by the Board. The Board is committed to providing all students and employees with a safe and civil school environment in which all members of the school community are treated with dignity and respect.

The Board prohibits harassment, bullying, hazing, or any other victimization of students and/or employees, based on any of the following actual or perceived traits or characteristics, including but not limited to age, color, creed, national origin, race, religion, marital status, sex, sexual orientation, gender identity, physical attributes, physical or mental ability or disability, ancestry, political party preference, political belief, socioeconomic status, or familial status.

Harassment and bullying mean any electronic, written, verbal, or physical act or conduct toward a student or employee which creates an objectively hostile school/work environment.

If, after an investigation, a student is found to be in violation of this policy, the student shall be disciplined by appropriate measures up to, and including, suspension and expulsion.

If, after an investigation, a school employee is found to be in violation of this policy, the employee shall be disciplined by appropriate measures up to, and including, termination. If after an investigation a school volunteer is found to be in violation of this policy, the volunteer shall be subject to appropriate measures up to, and including, exclusion from school grounds.

The school or school district will promptly and reasonably investigate allegations of bullying or harassment. The Equity Investigator at the building level (principal) or designee will be responsible for handling all complaints by students alleging bullying or harassment.

An individual who believes that the individual has been harassed or bullied will notify the building Equity Investigator, the designated investigator. The alternate investigator is the District Equity Investigator. Information received during the investigation is kept confidential to the greatest extent possible.

Counseling Services
(Board Policy 604.1)

All school counselors are certified with the Iowa Department of Education and hold the qualifications required by the Board of Education and the Board of Educational Examiners.

(Board Policy 105.1)
The Linn-Mar Community School District will not discriminate in its educational activities and is committed to the policy that no otherwise qualified person will be excluded from educational activities on the basis of race, creed, color, religion, gender, age, national origin, marital status, sexual orientation, gender identity, covered military veteran, disability, genetic information, familial status, physical attribute, political belief/party preference, or social-economic status.

Further, the Board affirms the right of all students and staff to be treated with respect and to be protected from intimidation, discrimination, physical harm and harassment.

Homeless Students
(Board Policy 501.15)
The McKinney-Vento Homeless Assistance Act enacted in 2001 ensures the educational rights and protections for children and youth experiencing homelessness. If your family or a family you know lives in any of the following situations, the family’s children have certain rights or protections under the act: in a shelter, motel, vehicle or campground; on the street, in an abandoned building, trailer or other inadequate accommodations; doubled up with friends or relatives because the family cannot find or afford housing.

Under the Act, children who are experiencing homelessness have certain rights. Some of these rights include: The right to go to school, no matter where the family lives or how long they have lived there. They must be given access to the same public education, including preschool education provided to other children; the right to continue in the school they attended before the family became homeless or the school they last attended; receive transportation to school and to school programs; enroll in school without giving a permanent address; receive the same special programs and services, if needed, as provided to all other children served in these programs.

Notice of Non-Discrimination
(Board Policy 105.1-E1)
Student, parent, employees and others doing business with or performing services for the Linn-Mar Community School District are hereby notified that this school district does not discriminate on the basis of race, creed, color, age (except students), religion, national origin, gender, marital status, sexual orientation, gender identity or disability in admission or access to, or treatment
Board Policies.

in, its programs and activities.

The school district does not discriminate on the basis of race, creed, color, religion, gender, age, national origin, marital status, sexual orientation, gender identity, covered military veteran, disability, genetic information, familial status, physical attribute, political belief/party preference, or socio-economic status in admission or access to, or treatment in, its hiring and employment practices.

Any person having inquiries concerning the school district's compliance with the regulations implementing Title VI, Title VII, Title IX, the Americans with Disabilities Act (ADA), § 504, or Iowa Code § 280.3 is directed to contact: Karla Christian, Chief Human Resources Officer, 2999 N. 10th Street, Marion, IA 52302 or (319) 447-3036 who has been designated by the school district to coordinate the school district's efforts to comply with the regulations implementing Title VI, Title VII, Title IX, the ADA, § 504, and Iowa Code § 280.3 (2013).

Questions/Concerns/Appeals
(Brand Policy 502.12)

Student complaints and grievances regarding board policy or administrative regulations and other matters should be addressed to the student’s teacher or another licensed employee, other than the administration, for resolution of the complaint. It is the goal of the Board to resolve student complaints at the lowest organizational level.

If the complaint cannot be resolved by a licensed employee, the student may discuss the matter with the principal within 10 days of the employee's decision.

Section 504 Compliance
(Brady Policy 104.1)

The Linn-Mar Community School District does not discriminate against any otherwise qualified individual with disability, solely by reason of his/her disability, in admission or access to, or treatment or employment in, any program or activity sponsored by Linn-Mar School District.

Inquiries regarding compliance with this policy should be directed to the District Section 504 Coordinator: Leisa Breitfelder, Executive Director of Student Services, 2999 North 10th Street, Marion, IA 52302 or (319) 447-3000, or to the U.S. Department of Education, Office for Civil Rights – Region VII, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114 or (816) 268-0550.

Student Insurance
(Brady Policy 504.8 and 504.9)

It is strongly recommended that a student be adequately insured. A policy from an outside vendor is available through the school district upon request.

Technology and the Internet
(Brady Policy 603.12)

Technology is a vital part of the school district curriculum and the internet will be made available to active employees and students. The internet can provide a vast collection of educational resources for students. Because information appears, disappears and changes constantly, it is not possible to predict or control what students may locate.

Although students will be under teacher supervision while on the internet, it is not possible to con-stantly monitor individual students and all they are accessing. Some students might encounter information that may not be of educational value. Students will be required to sign a form acknowledging they have read and understand the acceptable internet use policy and that they will comply with the policy and regulations and understand the consequences for violation.

A FACT SHEET FOR PARENTS AND STUDENTS

HEADS UP: Concussion in High School Sports

The Iowa Legislature passed a new law, effective July 1, 2011, regarding students in grades 7 – 12 who participate in extracurricular interscholastic activities. Please note this important information from Iowa Code Section 280.13C,

Brain Injury Policies:

1. A child must be immediately removed from participation (practice or competition) if his/her coach or a contest official observes signs, symptoms, or behaviors consistent with a concussion or brain injury in an extracurricular interscholastic activity.

2. A child may not participate again until a licensed health care provider trained in the evaluation and management of concussions and other brain injuries has evaluated him/her and the student has received written clearance from that person to return to participation.

3. Key definitions:
   - “Licensed health care provider” means a physician, physician assistant, chiropractor, advanced registered nurse practitioner, nurse, physical therapist, or athletic trainer licensed by a board.
   - “Extracurricular interscholastic activity” means any extracurricular interscholastic activity, contest, or practice, including sports, dance, or cheerleading.

What is a concussion?

A concussion is a brain injury. Concussions are caused by a bump, blow, or jolt to the head or body. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.

What parents/guardians should do if they think their child has a concussion?

1. OBEY THE NEW LAW.
   a. Keep your child out of participation until s/he is cleared to return by a licensed healthcare provider.
   b. Seek medical attention right away.
2. Teach your child that it’s not smart to play with a concussion.
3. Tell all of your child’s coaches and the student’s school nurse about ANY concussion.

What are the signs and symptoms of a concussion?

You can’t see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days after the injury. If your teen reports one or more symptoms of concussion listed below, or if you notice the symptoms yourself, keep your teen out of play and seek medical attention right away.

STUDENTS:
If you think you have a concussion:

• Tell your coaches & parents – Never ignore a bump or blow to the head, even if you feel fine. Also, tell your coach if you think one of your teammates might have a concussion.
• Get a medical check-up – A physician or other licensed health care provider can tell you if you have a concussion, and when it is OK to return to play.
• Give yourself time to heal – If you have a concussion, your brain needs time to heal. While your brain is healing, you are much more likely to have another concussion. It is important to rest and not return to play until you get the OK from your health care professional.

IT’S BETTER TO MISS ONE CONTEST THAN THE WHOLE SEASON.

Signs Reported by Students:

• Headache or “pressure” in head
• Nausea or vomiting
• Balance problems or dizziness
• Double or blurry vision
• Sensitivity to light or noise
• Feeling sluggish, hazy, foggy, or groggy
• Concentration or memory problems
• Confusion
• Just not “feeling right” or is “feeling down”

PARENTS:

How can you help your child prevent a concussion?

Every sport is different, but there are steps your children can take to protect themselves from concussion and other injuries.

• Make sure they wear the right protective equipment for their activity. It should fit properly, be well maintained, and be worn consistently and correctly.
• Ensure that they follow their coaches’ rules for safety and the rules of the sport.
• Encourage them to practice good sportsmanship at all times.

Signs Observed by Parents or Guardians:

• Appears dazed or stunned
• Is confused about assignment or position
• Forgets an instruction
• Is unsure of game, score, or opponent
• Moves clumsily
• Answers questions slowly
• Loses consciousness (even briefly)
• Shows mood, behavior, or personality changes
• Can’t recall events prior to hit or fall
• Can’t recall events after hit or fall

2. WHO CAN GET FREE MILK? If your school participates in the Special Milk Program for half day kindergarteners, your kindergarten child may be eligible for free milk. Children who buy extra milk with a meal or if they eat breakfast or lunch and have an afternoon milk break, they are not eligible to receive free milk.

3. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY? Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven’t been told your arrangement? 4. What IF WE HAVE FOSTER CHILDREN? Households with foster and non-foster children may choose to include the foster child as a household member, as this may help other children in the household qualify for benefits. If the foster family is not eligible for free or reduced price meal benefits, that does not prevent a foster child from receiving free meal benefits.

5. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Cathy Berggren, Nutrition Services Coordinator, 2999 North 10th Street, Marion, IA  52302; (319) 447-3349; cberggren@linnmar.k12.ia.us immediately as eligibility for free meals is extended to all school age children in a household. If you did not receive a letter from the school, but received a Free Lunch Notice from DHS, submit this letter to your children’s school. You may add any students living in your household who are not listed.

7. **MY CHILD’S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE?** Yes. Your child’s application is only good for that school year and for the first few days of this school year, through Oct. 4, 2016. You must send in a new application unless the school told you that your child is eligible for the new school year. When the carry-over period ends, unless you are notified that your children will receive free meals or you submit an application that is approved, the children must pay full price for school meals.

8. **I GET WIC. CAN MY CHILDREN GET FREE MEALS?** Children in households participating in WIC may be eligible for free or reduced price meals. Please send in an application.

9. **WILL THE INFORMATION I GIVE BE CHECKED?** Yes. We may also ask you to send written proof of the household income you report. You are not required to provide proof with your application.

10. **IF I DON’T QUALIFY NOW, MAY I APPLY LATER?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free or reduced price meals if the household income drops below the income limit, if your household size goes up, or if you start getting Food Assistance, FIP or other benefits.

11. **WHAT IF I DISAGREE WITH THE SCHOOL’S DECISION ABOUT MY APPLICATION?** You should talk to school officials. You also may ask for a hearing by calling or writing to: Dr. Quintin Shepherd, Superintendent, 2999 North 10th Street, Marion, IA 52302; (319) 447-3301; qshepherd@linnmar.k12.ia.us.

12. **MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN?** Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.

13. **WHAT IF MY INCOME IS NOT ALWAYS THE SAME?** List the amount that you normally receive. For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

14. **WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

15. **WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. There are currently no active Military Housing Projects in Iowa as found on Active Military Housing Projects. Any additional combat pay resulting from deployment is also excluded from income.

16. **WHAT IF THERE ISN’T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY?** List any additional household members on a Supplemental Worksheet, and attach it to your application. Contact Cathy Berggren, Nutrition Services Coordinator, 2999 North 10th Street, Marion, IA 52302; (319) 447-3349 to receive a Supplemental Worksheet.

17. **MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR?** To find out how to apply for Food Assistance or other assistance benefits, contact your local assistance office or call 1-877-347-5678. Your children may be eligible for hawk-i (children’s health insurance) or a waiver of school fees. Read the information on the back of the Application for hawk-i information. A school waiver form is available from your school.

18. **CAN CHILDREN WITH DISABILITIES GET FOOD SUBSTITUTIONS?** If a child has a disability, as determined by a licensed medical professional, and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the licensed medical professional. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution for a food allergy, unless it meets the definition of disability. Please call the school for further information.

If you have other questions or need help, call 319-447-3349.

Sincerely,

Susan Knight, Nutrition Services Manager
HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS/MILK

Please use these instructions to help you fill out the application for free or reduced price school meals/milk. You only need to submit one application per household, even if your children attend more than one school in Linn-Mar. The application must be filled out completely to certify your children for free or reduced price school meals.

Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact Cathy Berggren, Nutrition Services Coordinator, 2999 North 10th Street, Marion, IA 52302; (319) 447-3349.

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12.

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

Who should I list here?

When filling out this section, please include all members in your household who are:

- Children age 18 or under and are supported with the household’s income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending Linn-Mar Community Schools, regardless of age.

A) List each child’s name. For each child, print their first name, middle initial and last name. Use one line of the application for each child. If there are more children present than lines on the application, attach a Supplemental Worksheet, which can be obtained from the school, with all required information for the additional children.

B) Is the child a student at Linn-Mar? Mark ‘Yes’ or ‘No’ under the column titled “student.” If ‘Yes’ print where the child attends school and identify their grade in school.

C) Do you have any foster children? If any children listed are foster children, mark the “Foster Child” box next to the child’s name. Foster children who live with you may count as members of your household and should be listed on your application. If you are only applying for foster children, after completing STEP 1, skip to “STEP 4” of the application and these instructions.

D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section may meet this description, please mark the “Homeless, Migrant, Runaway” box next to the child’s name and complete all steps of the application.
STEP 2: DO ANY HOUSEHOLD MEMBERS (INCLUDING YOU) CURRENTLY PARTICIPATE IN ONE OR MORE OF THE FOLLOWING ASSISTANCE PROGRAMS: FOOD ASSISTANCE, FIP, OR FDPIR?

If anyone in your household participates in the assistance programs listed below, your children are eligible for free school meals:

- The Food Assistance Program (FA)
- The Family Investment Program (FIP)
- The Food Distribution Program on Indian Reservations (FDPIR)

A) IF NO ONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:
   - Circle ‘NO’ and skip to STEP 3 on these instructions and STEP 3 on your application.
   - Leave STEP 2 blank.

B) IF ANYONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:
   - Circle ‘YES’ and provide a case number for FA, FIP, or FDPIR and the name of the household member with the case number. You only need to write one case number. If you participate in one of these programs and do not know your case number, it is located on your Notice of Decision. You must provide a case number on your application if you circled “YES”.

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

A) Report all income earned by children. Refer to the chart below titled “Sources of Income for Children” and report the combined gross income for ALL children listed in Step 1 in your household in the box marked “Total Child Income.” Only count foster children’s income if you are applying for them with the rest of your household (income from a part-time job or from any funds provided to the child for the child’s personal use). It is optional for the household to list foster children living with them as part of the household on an application for non-foster children.

What is Child Income?

Child income is money received from outside your household that is paid directly to your children. Many households do not have any child income. Use the chart below to determine if your household has child income to report.
FOR EACH ADULT HOUSEHOLD MEMBER:

B) List Adult Household member’s name. Print the name of each household member in the boxes marked “Names of Adult Household Members (First and Last).” Do not list any household members you listed in STEP 1. If a child listed in STEP 1 has income, follow the instructions in STEP 3, part A.

Who should I list here?

When filling out this section, please include all members in your household who are:

• Living with you and share income and expenses, even if not related and even if they do not receive income of their own.

Do not include people who:

• Live with you but are not supported by your household’s income and do not contribute income to your household.
• Children and students already listed in Step 1.

How do I fill in the income amount and source?

FOR EACH TYPE OF INCOME:

• Use the chart on page 4 to determine if your household has income to report.
• Report all amounts in gross income ONLY. Report all income in whole dollars. Do not include cents.
  o Gross income is the total income received before taxes or deductions.
  o Many people think of income as the amount they “take home” and not the total, “gross” amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
• Write a “0” in any fields where there is no income to report. Any income fields left empty or blank will be counted as zeroes. If you write ‘0’ or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials have known or available information that your household income was reported incorrectly, your application will be verified for cause.

C) Report earnings from work. Refer to the chart titled “Sources of Income for Adults” in these instructions on page 4 and report all income from work in the “Earnings from Work” field on the application. This is usually the money received from working at jobs. If you are self-employed business or farm owner, you will report your net income. If you need assistance with this, ask your children’s school for the Supplemental Worksheet which has self-employment calculations.

What if I am self-employed?

If you are self-employed, report income from work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts and revenue. Ask your school for a Supplemental Worksheet to assist you in determining your monthly gross annual income before deductions.

D) Report income from Public Assistance/Child Support/Alimony. Refer to the chart titled “Sources of Income for Adults” in these instructions on page 4 and report all income that applies in the “Public Assistance/Child Support/Alimony” field on the application. Do not report the value of any cash value public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only court-ordered payments should be reported here. Informal but regular payments should be reported as “other” income in the next part.
E) **Report income from Pensions/Retirement/All other income.** Refer to Table 2 below titled “Sources of Income for Adults” in these instructions and report all income that applies in the “Pensions/Retirement/All Other Income” field on the application.

**Table 2. Sources of Income for Adults**

F) **Report total household size.** Enter the total number of household members in the field “Total Household Members (Children and Adults).” This number **MUST** be equal to the number of household members listed in STEP 1 and STEP 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household determines your income cutoff for free and reduced price meals.

G) **Provide the last four digits of your Social Security Number.** The household’s primary wage earner or another adult household member must enter the last four digits of their Social Security Number in the space provided. **You are eligible to apply for benefits even if you do not have a Social Security Number.** If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled “Check if no SSN.”

---

**STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE**

All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.

**A) Provide your contact information.** Write your current address in the fields provided if this information is available. **If you have no permanent address, this does not make your children ineligible for free or reduced price school meals.** Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

**B) Print and sign your name.** Print your name in the box “Printed name of adult completing the form.” And sign your name in the box “Signature of adult completing the form.”

**C) Write Today’s Date.** In the space provided, write today’s date in the box.

**D) On the back of the application, share children’s Racial and Ethnic Identities (optional).** This field is optional and does not affect your children’s eligibility for free or reduced price school meals.

**E) If you do not want your household information shared with hawk-i, print, sign and date in the box provided.**

**F) If you need a translated application with instructions, they can be found in 34 languages at:**

[Translated Family Friendly-Application-Translations](#)
# 2016-2017 Iowa Application for Free and Reduced Price School Meals/Milk

Complete one application per household. Please use a pen (not a pencil). This application cannot be approved unless complete eligibility information is submitted.

## STEP 1
**List ALL Household Members who are infants, children, and students up to and including grade 12** (if more spaces are required for additional names, attach the supplemental worksheet.)

### Definition of Household Member:
- "Anyone who is living with you and shares income and expenses, even if not related." - Children in Foster care and children who meet the definition of Homeless, Migrant or Runaway are eligible for free meals. Read How to Apply for Free and Reduced Price School Meals for more information.

### Self-Employment Income Calculations

This guidance will assist you in calculating the amount to report if you engage in farming, are self-employed or have income from other sources. Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year’s net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment. For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040. Add together the amounts reported on the following lines:

- **LINE 12** $_______________ Business Income or (Loss)
- **LINE 13** $_______________ Capital Gain or (Loss)
- **LINE 14** $_______________ Other Gains or (Losses)
- **LINE 17** $_______________ Rental real estate, royalties, partnerships, S corporations, trusts, etc.
- **LINE 18** $_______________ Farm Income or (Loss)

**TOTAL** $_______________ Gross Annual Income Before Any Deductions.

**Computed Monthly Income** $_______________ (Gross Annual Income + 12 = Computed Monthly Income.)

The computed monthly income should be reported in Step 3 on the Application for Free and Reduced Price School Meals under All Other Income.

### WAIVER STATEMENT

If your child(ren) qualifies for free or reduced price meals, you may also be eligible for other benefits. One of these benefits is supply fees. If you sign this waiver, your child(ren) will be considered for a full or partial waiver of supply fees. I understand that I will be releasing information that will show that I applied for free and reduced price school meals for my child(ren). I give up my rights to confidentiality for waiver of school fees ONLY.

I certify that I am the parent/guardian of the child(ren) for whom application is being made.

**FREQUENTLY ASKED QUESTIONS**

What happens when extreme weather threatens?
The safety of students and staff is the overriding, deciding factor. Since school is a safe, supervised setting for children the District tries to avoid early dismissals.

How do we decide to start, delay or cancel?
The Superintendent decides whether or not to delay, cancel or dismiss early. As early as possible, information about weather and road conditions is gathered from various sources – including government agencies, meteorologists, and through personal inspection by school personnel.

Why don't all school districts make the same decision?
Sometimes road conditions in outlying areas vary from those in the city. Sometimes building conditions may vary. For example, there may be problems with heating and/or power.

Transportation
In the event of a delay or early dismissal, students normally transported in buses will be picked up and returned to the regular bus stop unless other arrangements have been previously made and communicated to the school.

Energy Related Early Dismissal
The District has an energy saving agreement with Alliant Energy to shut down power on the main campus should temperatures become too extreme (cold or hot). Buildings that would be directly affected by a power shut down: Linn-Mar High School, Excelsior Middle School, Indian Creek Elementary and the Learning Resource Center.

Alliant Energy has agreed to give the district a two hour advance notice if a shut down should be required. The following procedures are followed for energy-related dismissals.

**Notification of Power Interruption for Energy Related Early Dismissals:**
10:30 a.m. or earlier

Dismissal Time: Tune to local media or check the District website.

Lunch: Every effort will be made to serve the lunch meal prior to sending students home.

After School Care:
Children receiving the services will go home or to other child care arrangements as made by the parents.

After School/Evening Activities:
Cancelled

**Scholastic Competition:**
High School - As Scheduled; home events relocated.
Middle School - Cancelled

**Staff Responsibilities:**
Professional but they must leave the closed buildings.

**After 10:30 a.m.**
Dismissal Time: Tune to local media or log on to District website.

Lunch: Will be served following the early dismissal schedule.

**After School Care:**
Indian Creek’s participating students would be relocated to Westfield.

**After School/Evening Activities:**
Cancelled

Interscholastic Competition:
High School - As Scheduled; home events relocated.

**Middle School - Cancelled**

**Staff Responsibilities:**
Standard early dismissal guidelines.

**Other Emergencies:**
The Linn-Mar Community School District has Crisis Management Guidelines that outline procedures for all types of emergencies and incidents that might occur. Evacuation and relocation is always a possibility.

As a secondary communication channel, the District uses local media, Facebook and Twitter during such emergencies for procedures to follow when picking up your student(s).
