*What if my student is not feeling well and has symptoms of COVID-19?*

1. My student has the following symptoms: Chills, Fever, Shortness of Breath or Difficulty Breathing, Sore Throat, Muscle Pain, Cough, New Loss of Taste, Nausea, Diarrhea or Smell.
2. **KEEP YOUR STUDENT HOME.**
3. Call your healthcare provider for guidance.
4. Contact the LMHS Health Office (447-3080, or email [nkleitsch@linnmar.k12.ia.us](mailto:nkleitsch@linnmar.k12.ia.us) or [abbi.riniker@linnmar.k12.ia.us](mailto:abbi.riniker@linnmar.k12.ia.us)) or the Main Office (447-3041, or email [jgustason@linnmar.k12.ia.us](mailto:jgustason@linnmar.k12.ia.us)).

*What is the protocol if my student is exposed to someone with symptoms who is waiting for test results?*

1. Contact the LMHS Health Office (447-3080, or email [nkleitsch@linnmar.k12.ia.us](mailto:nkleitsch@linnmar.k12.ia.us) or [abbi.riniker@linnmar.k12.ia.us](mailto:abbi.riniker@linnmar.k12.ia.us)) or the Main Office (447-3041, or email [jgustason@linnmar.k12.ia.us](mailto:jgustason@linnmar.k12.ia.us)) to report a possible exposure.
2. If no symptoms, continue as normal with social distancing and face masks.

*What if my student lives with someone who has tested positive for COVID-19 and cannot avoid close contact?*

Contact the LMHS Health Office (447-3080, or email [nkleitsch@linnmar.k12.ia.us](mailto:nkleitsch@linnmar.k12.ia.us) or [abbi.riniker@linnmar.k12.ia.us](mailto:abbi.riniker@linnmar.k12.ia.us)) or the Main Office (447-3041, or email [jgustason@linnmar.k12.ia.us](mailto:jgustason@linnmar.k12.ia.us)).
2. **Self-quarantine at home.**

*What if my student has tested positive for COVID-19?*

1. **Call the Health Office (447-3080) or the Main Office (447-3041)** to report your student has tested positive for COVID-19.
2. Your student will self-isolate for 10 days from the positive result or when symptoms first started, are fever free without medication for 24 hours, and no longer have symptoms.
3. School Nurse and Principal will:
  - a. Notify Linn County Public Health (LCPH).
  - b. Identify close contacts and quarantine exposed students and staff.
  - c. Notify appropriate individuals without identifying the COVID-19 case.
  - d. LCPH will: Recommend quarantine for 14 days for all household contacts from the last time with individual who tested positive for COVID-19 and work with school to determine which students and staff should be quarantined.

*What happens if my student is in the same class with a student or staff member who is waiting for test results or tests positive for COVID-19?*

1. The School Nurse and Principal will work with LCPH to determine if 'close contact' has occurred with any students or staff.
2. If no 'close contact' is determined to have occurred, then your student will be able to continue attending school.
3. If 'close contact' is determined to have occurred (**within 6' of individual for more than 15 consecutive minutes**) your student will need to self-quarantine for 14 days from the last contact with the person who has COVID-19.

*What is 'Close Contact' and how can I limit this?* This is being **within 6' of an individual for more than 15 consecutive minutes**. If you work to have no 'direct' contact nor 'close' contact with individuals and wear a face mask then you are greatly minimizing your chances of transmission.

## 1<sup>st</sup> Quarter

***Link to the LMHS 1<sup>st</sup> Quarter Hybrid Schedule:***

[LMHS 1<sup>st</sup> Quarter Hybrid Schedule: 2020-21](#)

***1<sup>st</sup> Quarter Parent Conferences: October 8 (4:30-7:30 p.m.):***

The priority for 1<sup>st</sup> Quarter Parent Conferences will be students who are giving indications of need either through performance, attendance, or other area of concern at the start of the school year. Teachers will be reaching out to parents beginning at the end of this week to schedule these conferences via Teams or by phone. After these conferences are scheduled any open conference spaces will be made available for parents to sign up for beginning on Wednesday, October 7.

### **Specific Course Updates:**

**Current update of Temporary, Online Classes and date on-site resumes:**

**The following Course Sections are temporarily meeting ‘online-only’ at this time:**

**Health I            3<sup>rd</sup> Block (Snead)**  
**Health I            4<sup>th</sup> Block (Snead)**

It is now a certainty that we will have teachers needing to teach online for a day or multiple days throughout the term. We will work to notify everyone of such situations. **If a teacher informs a class section that they will be teaching online for a day or for a number of days, students with non-class campus release may be online for any day a teacher must teach online.** In other words, if the teacher is teaching online, then students can be online for those days as well if they have a signed non-class campus release form signed.

**If you are having difficulty connecting a school-issued computer to your home wi-fi.** Here are a couple of things you can try:

1. *Restart the laptop.* This will remove the previous network settings that may be remembered and why they are having trouble connecting.
  - a. *Click on the start button on the bottom left hand corner of the screen and then select “power” and then select “restart”*
2. *Try to connect the device to another wi-fi – a friend’s house, Starbucks, etc.* If it connects you can assume the issue is with some security setting in your router. If it doesn’t, there may be a problem with your device. Schedule a time to bring the device to school to swap for another device.
3. *If still unsuccessful contact the Library staff* so that a Helpdesk ticket can be made. The district Helpdesk does not receive emails from outside LM email addresses (this prevents Spam from creating tickets).
  1. Currently we are aware of an issue with Century Link providers. It is blocking the school device from connecting to the home router because it wants to block the at home web filters required by the district to send devices home with students. We can usually assist with fixing this – sometimes students may need to bring the device into a district building so it is on the district network.
4. *If all else fails, and a hot spot is available, we will check out a hot spot* to the student and see if that connects for them.

### **Calling in for Attendance During Hybrid Schedule (at least 1<sup>st</sup> Quarter):**

Because we will have students on-site and online on different days as well as online-only students all in the same classes together, we want to make attendance guidelines as simple as possible.

#### ***Scenario - On-site day but will be in class online instead:***

If your student is expected to be on-site, will not be coming to school on a particular day, but will be in all classes online, still call the appropriate grade level office (447-3050 for 9<sup>th</sup>/10<sup>th</sup> or 447-3046 for 11<sup>th</sup>/12<sup>th</sup>) to let us know this.

#### ***Scenario – Student will neither be online nor on-site:***

If your student is not able to participate in class either online or on-site as scheduled, then your student will be counted as ABSENT (‘A’) for the class period. Please contact the appropriate grade-level office for such an absence so that the absence is ‘excused’. This is the only circumstance a call is necessary if your student is taking classes ‘online-only’.
