2020-21 LMHS Student Handbook:

[2020-21 LMHS Student Handbook \(September 2020\)](#)

COVID-19 Related:

Non-Class Campus Release:

One additional precaution we are implementing at this time in an effort to minimize the number of students within the building at any one time is to allow, with parent permission only, all students 9th-12th to go home during any non-class time (e.g. Learning Center, Lunch, Study Table). The intention of doing this is so students would just be on campus for their classes during the pandemic. The form for granting parental permission for non-class campus release during the LMHS 1st Quarter Hybrid Schedule is attached today. This form must be signed by both parent and student (unless student is 18 years of age) before a student may leave using non-class campus release. **Again, this is for all grade levels (9th-12th) ONLY while the LMHS 1st Quarter Hybrid Schedule is being used. Non-Class Campus Release will no longer exist when we return to the Regular Daily Schedule. Non-Class Campus Release Forms may be turned in to respective grade-level offices at any time during building office hours (7:30-3:30 p.m.).**

REPORTING OF COVID-19 RELATED ILLNESS, POSSIBLE EXPOSURE OR AN EXPOSURE

The following is to help parents and students understand what is needed for communication from parents if your student has COVID-related symptoms, has 'close contact' (within 6' of individual for more than 15 consecutive minutes) with someone who has symptoms or who tests positive for COVID-19, or themselves tests positive for COVID-19. We have tried to state the steps to be taken by parents as simply as possible. If you are interested, a link to the district flowchart for student COVID-related symptoms is at the end of this section. Should you ever have questions regarding what to do if any of the following occur, do not hesitate to contact our LMHS Health Office (447-3080) or Principal Jeff Gustason (447-3041).

What if my student is not feeling well and has symptoms of COVID-19?

1. My student has the following symptoms: Chills, Fever, Shortness of Breath or Difficulty Breathing, Sore Throat, Muscle Pain, Cough, New Loss of Taste, Nausea, Diarrhea or Smell.
2. **KEEP YOUR STUDENT HOME.**
3. Call your healthcare provider for guidance.
4. Contact the LMHS Health Office (447-3080, or email nkleitsch@linnmar.k12.ia.us or abbi.riniker@linnmar.k12.ia.us) or the Main Office (447-3041, or email jgustason@linnmar.k12.ia.us).

What is the protocol if my student is exposed to someone with symptoms who is waiting for test results?

1. Contact the LMHS Health Office (447-3080, or email nkleitsch@linnmar.k12.ia.us or abbi.riniker@linnmar.k12.ia.us) or the Main Office (447-3041, or email jgustason@linnmar.k12.ia.us) to report a possible exposure. The School Nurse and Principal will work with family and Linn County Public Health (LCPH) to determine if there is a school exposure.
2. If no symptoms, continue as normal with social distancing and face masks.
3. If a positive case is confirmed the School Nurse and Principal will:
 - A. Notify Linn County Public Health (LCPH).
 - B. Identify close contacts and quarantine exposed students and staff.
 - C. Notify appropriate individuals without identifying the COVID-19 case.
 - D. LCPH will: Recommend quarantine for 14 days for all household contacts from the last time with individual who tested positive for COVID-19 and work with school to determine which students and staff should be quarantined.

What if my student lives with someone who has tested positive for COVID-19 and cannot avoid close contact?

1. Contact the LMHS Health Office (447-3080, or email nkleitsch@linnmar.k12.ia.us or abbi.riniker@linnmar.k12.ia.us) or the Main Office (447-3041, or email jgustason@linnmar.k12.ia.us). They will work with LCPH to determine length of self-quarantine.
2. **Self-quarantine at home.**

What if my student has tested positive for COVID-19?

1. **Call the Health Office (447-3080) or the Main Office (447-3041)** to report your student has tested positive for COVID-19.
2. Your student will self-isolate for 10 days from the positive result or when symptoms first started, are fever free without medication for 24 hours, and no longer have symptoms.
3. School Nurse and Principal will:
 - a. Notify Linn County Public Health (LCPH).
 - b. Identify close contacts and quarantine exposed students and staff.
 - c. Notify appropriate individuals without identifying the COVID-19 case.
 - d. LCPH will: Recommend quarantine for 14 days for all household contacts from the last time with individual who tested positive for COVID-19 and work with school to determine which students and staff should be quarantined.

What happens if my student is in the same class with a student or staff member who is waiting for test results or tests positive for COVID-19?

1. The School Nurse and Principal will work with LCPH to determine if ‘close contact’ has occurred with any students or staff.
2. If no ‘close contact’ is determined to have occurred, then your student will be able to continue attending school.
3. If ‘close contact’ is determined to have occurred (**within 6’ of individual for more than 15 consecutive minutes**) your student will need to self-quarantine for 14 days from the last contact with the person who has COVID-19.

How will this be communicated?

1. We will be working with district officials to communicate with any individuals determined to have ‘close contact’ via phone and email with a follow-up letter.

What is ‘Close Contact’ and how can I limit this? This is being **within 6’ of an individual for more than 15 consecutive minutes**. If you work to have no ‘direct’ contact nor ‘close’ contact with individuals and wear a face mask then you are greatly minimizing your chances of transmission.

Parking

A reminder that while the LMHS Hybrid 1st Quarter Schedule is being used all student drivers are eligible for a parking tag. All vehicles parking on campus **must be registered and have a LMHS Parking Tag at all times during any school day (9:00-4:00 p.m.)**. During the LMHS Hybrid 1st Quarter Schedule, there is no cost for a parking tag.

When we return to the Regular Daily Schedule with all students reporting for classes on-site, the parking lottery for 10th Grade drivers will take place. Any 10th Grade student who is ‘online-only’ or will not have their school permit or license until later in 1st Quarter will then be able to participate in the parking lottery.

9th Grade students will no longer be able to park on campus when we return to the Regular Daily Schedule. We still anticipate all 11th and 12th Grades students who are driving to school and request a parking tag receiving one when we return to the LMHS Regular Daily Schedule. A prorated Parking Tag fee will be applied at this time.

Can students signed up for ‘online only’ receive a parking tag?

Students taking online only classes during 1st Quarter (or for as long as we are using the LMHS Hybrid 1st Quarter Schedule) will **not** be issued parking tags until prior to starting the LMHS Regular Daily Schedule.

For 10th Grade students, the parking lottery will not be held until just before we return to the LMHS Regular Daily Schedule, so any 10th Grade student who is ‘online-only’ at this time will have the opportunity to enter the parking lottery before it may occur.

1st Quarter

[Link to the LMHS 1st Quarter Hybrid Schedule:](#) [LMHS 1st Quarter Hybrid Schedule: 2020-21](#)

Specific Course Updates:

We do have a few courses that will be meeting online-only for a few teachers. These teachers will continue to teach the courses but will be doing so online. Students with non-campus release permission may choose to take these courses online each day rather than on-site every other day. We will have an adult in the classroom to help supervise students who will be in the classroom during class. Current update of Temporary, Online Classes and date on-site resumes:

Classes now meeting 'online-only' until September 24: (teacher on-site will resume on September 24)

Block 1 Earth Science in room KL104

Block 2 Earth Science in room KL104

Block 4 Gen. Biology in room KL104

It is quite possible, if not probable, that we will have teachers needing to teach online for a day or multiple days throughout the term. We will work to notify everyone of such situations. If a teacher informs a class section that they will be teaching online for a day or for a number of days, students with non-class campus release may be online for any day a teacher must teach online. In other words, if the teacher is teaching online, then students can be online for those days as well if they have a signed non-class campus release form signed.

Calling in for Attendance During Hybrid Schedule (at least 1st Quarter):

Because we will have students on-site and online on different days as well as online-only students all in the same classes together, we want to make attendance guidelines as simple as possible.

Scenario - On-site day but will be in class online instead:

If your student is expected to be on-site, will not be coming to school on a particular day, but will be in all classes online, still call the appropriate grade level office (447-3050 for 9th/10th or 447-3046 for 11th/12th) to let us know this. This is just an informational call, however, we will be contacting parents if we expect a student to be on-site but they are not in class on-site yet still attend and participate fully in class online. This call will be made so that parents know their student was expected on campus but was only online. There is no school consequence for this situation if the student fully participates in the class session online but we do want parents to know. Again, a call to the grade level office if known prior is appreciated in this circumstance.

Scenario – Student will neither be online nor on-site:

If your student is not able to participate in class either online or on-site as scheduled, then your student will be counted as ABSENT ('A') for the class period. Please contact the appropriate grade-level office for such an absence so that the absence is 'excused'. This is the only circumstance a call is necessary if your student is taking classes 'online-only'.

Tell me more about the RTI sessions on the schedule each day: This time is available with Teachers. Please use it.

The schedule was developed primarily as an online only schedule should we have days in which on-site will not happen due to COVID-19 (this will also include any days with inclement weather). The RTI schedule is in place to add specific times for teachers to meet and work with students for many different reasons (e.g. need/want extra help, not currently passing course, have incomplete work for any reason, enrichment/extension). Periods 1-4/Blocks 1-2 will run for two days so that both Group A and Group B can be on-site if desired during the afternoon RTI sessions. Periods 5-8/Blocks 3-4 will run for the next two days so that both Group A and Group B can be on-site during the afternoon RTI sessions.

- * Students requested to attend an RTI session may attend either on-site or online at the teacher's discretion.
- * RTI is an extension of a particular period/block. Expect classes to vary for when RTI sessions are requested.
- * If a student is requested to attend an RTI session but does not attend either on-site or online, then the student will be counted as ABSENT for the class session.
- * Students who are not requested to attend an RTI session are not required to attend the session.
- * Students who do not have non-class campus release will report to RTI each day. After the first days, we plan to assign students a study table in one of the commons areas or in the Learning Center for use when not requested for or requesting an RTI period.
