LMHS Main Building Door Entry Protocol for 2016-17

All LMHS students and visitors will enter the Main building through **Door #3 (North Entrance) or Door #13 (South Entrance)**. Door #1 will no longer be used by students and visitors as an entrance to LMHS during the school day.

At NO TIME is anyone to open any outside door for anyone without administrative authorization.

LMHS Student Entry/Exit for Classes at the LRC for 2016-17

Nine LRC classrooms will again be used by LMHS for the 2016-17 school year. All LMHS students taking classes at the LRC will enter and exit this building from the LRC West/10th Street entrance. Students taking classes at the LRC will use Door #13 (South Entrance) when returning to LMHS.

Office Location Changes

Only the Main Office will remain in the current location this school year. The completion of renovated areas relocates all other offices within the building. The 9th-10th Grades Office will be at the North entrance of the building. The 11th-12th Grades Office will be at the South entrance of the building. The Athletic Office will be located at door #10, the Main Gym entrance. The Nurse's Office will move to a portion of the former 9th-10th Grades Office. Our three Student Assistance Counselors will move to another portion of the former 9th-10th Grades Office. The Cashier's Office will be located in the 11th-12th Grades Office with the access window in the South Commons.

New 'Commons' Learning Spaces at LMHS

LMHS will have seven 'Commons' learning spaces for students beginning in 2016-17. Each of these spaces will have varied learning and media resources for students. LMHS will now have the infrastructure in place to better meet the needs of 21st Century Learners in collaborative, resourceful, purposeful, and engaging learning environments for online and college coursework, as well as for 'blended' learning opportunities. Each location is an academic environment, and students are expected to use each of these areas in this manner. The 'Commons' learning space locations are:

The Pride Rock Commons
The West/Theater Commons
The South Commons
The Main Office/Study Commons
The Upper Commons/Library
The Commons at the Four Corners
The Outdoor Commons and Vestibule

The Lower Commons/Cafeteria and Food Court are also 'Commons' learning spaces with lunch served during Block 3/Periods 5-6.

COLLEGE AND CAREER CENTER

The College and Career Center is now housed in its new, permanent location adjacent to the South Commons. It is staffed by school counselors and the records secretary before and during the school day. Visiting colleges and career speakers will be available in the center, as well as planning resources and information. Several planned informational meetings will be available to students and parents during the year.

On September 13, a College Planning Night will be held at 6:00 p.m., and a Financial Aid Night will be held at 7:00 p.m. Both of these meetings will be held in the College and Career Center and South Commons. Building entry for these two meetings will be through Door #10.

FAMILY CONNECTION AVAILABLE FOR LMHS STUDENTS AND PARENTS

Linn-Mar High School has partnered with Naviance to provide a variety of tools for student achievement through academic planning. These tools are located in **Family Connection**, a website for students and families to access online resources, communicate with school counselors, and collaborate on college and career readiness activities. Students can research colleges, scholarships, careers, enrichment programs and courses in one location. They can also create individual plans that can be linked to college and career readiness. Students can communicate easily with counselors through Family Connection.

For college and career readiness, students can request transcripts and recommendations for college applications, as well as complete career assessments and perform college and career searches. Students can also create goals and track associated tasks and activities.

Students can access Family Connection on the LMHS web page using their network username and password. Parents are issued a separate registration code in order to access Family Connection.

LEARNING CENTER

The Learning Center is a program for all Linn-Mar students and serves as an extension of the classroom. The Learning Center gives students the opportunity to work on core instruction, and provides enrichment opportunities or time for individual study and group collaboration. **All 9th and 10th grade students are assigned to the Learning Center during non-class periods.** Listed below are some of the supports offered within the Learning Center. If you have any questions concerning the Learning Center or supports offered within please contact your student’s counselor for further information or visit the Learning Center link in the LMHS website.

Linn-Mar Parking Plan for 2016-17

A change in campus parking for students during the 2015-16 school year was made to ensure safety in the parking lots during the school day. The primary measure taken to ensure safety was to decrease the expectation of finding a parking space on campus by limiting the number of parking tags issued to the number of parking spaces available. A lottery was held to determine parking tag eligibility for designated parking lots. The parking lots were given grade-level designations of 11th-12th Grades and 9th-10th Grades. A fee of \$25.00 for each tag was made to serve as a guarantee for a campus parking space and to help in the supervision and surveillance of the lots both during and outside of the school day. During the year, the number of parking tags issued was increased as not all lot spaces were filled on a particular day. By the end of the 3rd week of school, all 11th and 12th grades students requesting a parking tag were issued a tag.

For the 2016-17 school year, the concept of limiting the number of issued parking tags will remain with the \$25.00 tag fee guaranteeing an on-campus parking space for students with parking tags. Feedback was received in many forms, including through all four Student Advisory Councils, Parent Advisory, and the Building Management Team (BMT) comprised of faculty representatives from every department in the high school. A draft of the 2016-17 parking plan was developed using this feedback, and input was sought, again, from all four grade-level Student Advisory Councils, Parent Advisory, and BMT. The 2016-17 LMHS Parking Plan is the result of this feedback.

Guiding ideas in plan development from feedback and circumstance:

LMHS will have two main building entrances in 2016-17: North and South (*circumstance*).

Direct access to the building from the North lot will exist at Door #3.

Door #3 (North) and Door #13 (South) will be the only entrances during the school day.

Work to have as many as possible, if not all, 11th and 12th grade students who request parking tags receive a parking tag. (*feedback*)

Allow for 11th - 12th grades students to state a North, Far North or South Lot preference. (*feedback*)

10th grade has significantly more drivers than 9th grade, thus, should have priority over 9th grade. (9th grade had about 25 students with authorized school driver permits when the 2015-16 school year started). (*feedback*)

Previous issues regarding the parking lots have been minimized if not eliminated by limiting the number of parking tags issued. (*feedback*)

Centralize location of parking information, including results of the parking lottery. (*feedback*)

Make parking lot maps easier to read. (*feedback*)

The Parking Plan: (w/the approval of Student Advisory Councils for grades 12, 11, 10 and 9.)

11th and 12th Grades: (approximately 700 parking tags)

Lottery will determine choice of three designated parking lots (North, Far North, South).

Lottery sign up begins from late May through Friday, August 12.

Students will make lot preferences on sign up form prior to the Lottery.

Three lots (North, Far North, South) should allow for all 11th and 12th grade students who are eligible for a parking tag to have one.

Lottery takes place on Monday, August 15.

Lottery selectees may begin purchasing parking tags on Monday, August 15.

\$25.00 for parking tag.

Students must present a valid driver license at the time of submitting application for the lottery.

10th Grade: (approximately 225 parking tags)

Lottery will determine eligibility for parking tag.

Lottery sign up begins in late May through Friday, August 12.

Lottery takes place on Monday, August 15.

Lottery selectees may begin purchasing parking tags on Monday, August 15.

\$25.00 for parking tag.

Stadium East/Aquatic Center Lot, East Lot will be 10th grade parking areas.

Completion of renovation will open spaces in the East Lot during year.

(Will issue tags for the Far North, North or South Lots during year as space allows).

Students must present a valid driver license at the time of submitting application for the lottery.

9th Grade: (approximate space for 25 vehicles)

Armstrong Field Gravel Lot area (tag required, no fee).

Staff: (approximately 225 parking spaces)

Assigned in a designated staff parking area.

Designated staff parking areas of North Lot, South Lot, West Lot and East Lot.

Visitors: (approximately 40 parking spaces)

Designated 'Visitor' parking areas in the North Lot and South Lot.

**Parking Lottery results will be posted on the LMHS Webpage as well as in the 9th-10th Grades Office and the 11th-12th Grades Office on the afternoon of August 15.*

REACH BOOKLET

The Student Activities "REACH" booklet is now available on the High School web page. The booklet provides a listing of all student activities at Linn-Mar High School, including clubs, organizations, fine arts and athletics.

PowerSchool

The student information system, PowerSchool, requires passcodes for both student and parent. Parents with more than one student in school will use the same passcode for each student. The information viewed on PowerSchool is the same for both student and parent. Please feel free to contact the 9th-10th Grades Office, 11th-12th Grades Office, or Main Office for assistance with PowerSchool. If you have questions regarding student academic scores, please contact your student's teacher for clarification. If a question or issue remains following the teacher contact, please do not hesitate to contact one of the offices for assistance.

Classes are also reporting on student progress toward specific priority standards. This progress is found on PowerSchool. Both traditional course grading and student progress toward the specific standards are available on PowerSchool. For questions regarding finding this information, feel free to contact the 9th-10th Grades Office (447-3043), 11th-12th Grades Office (447-3070), Main Office (447-3040), or your student's counselor.

STUDENT LOCKERS

All 9th Grade students are assigned lockers. 10th, 11th and 12th Grades students may request a locker through the grade levels offices. Student lockers are to store school materials and personal items needed for school. Students are advised NOT to bring valuable or non-school related items to school. Students are responsible for keeping assigned lockers clean.
