Dear Parent,

Elite Photography is pleased to be the official photographer for your schools' Commencement Ceremony. Following the ceremony, we will provide you with proofs of your graduating senior from the event. There is no cost to you for this service, however, NO PROOF WILL BE PROVIDED unless you fill out and return the form below, including valid e-mail address. There is no obligation to purchase any photos from the event, but we cannot provide those photos without the information on this card. The primary delivery method for the proofs will be via e-mail so please fill out one email at a minimum. We will provide proofs to as many email addresses as you like for no additional charge, so feel free to include as many additional emails of friends and family as you like (use the back of the page, as needed). Your email will be used ONLY to notify you about photos related to your Senior; we respect your privacy, so your email will not be sold or distributed to any other person or vendor.
