A-L-I-C-E training

This year, ALL District buildings, including Oak Ridge, will be conducting two non-intensive A-L-I-C-E trainings during second semester. This classroom instruction will be conducted by school based A-L-I-C-E trainers and administration. The purpose of the A-L-I-C-E training is simply to inform students of what to do and where to go in the event of a serious threat within or outside the building. Our objective in having these safety drills each year is to ensure that students and staff are informed and can react appropriately and quickly should such a life safety event ever occur at school.

Our classroom instruction will begin after spring break. We will start with 8th grade students, then 7th and 6th grades. This instruction will take place in their health classes. Drills will be conducted in April.

Culture Club

Come join us! We will learn about the cultures of different countries by trying recipes, crafts, and movies!

Time: 2:45 - 3:45pm

BREAKING NEWS FROM THE HEALTH OFFICE FOR 6TH GRADE PARENTS

Attention Parents of Sixth Grade Students:

The Iowa Department of Public Health has released new immunization requirements
for the 2017-18 school year.

All students enrolling in 7th grade must meet the following guideline *PRIOR TO THE FIRST DAY OF SCHOOL*:

- 1 dose of meningococcal vaccine administered after the age of 10
- 1 dose of Tdap vaccine (Tetanus, Diphtheria, and Pertussis) administered after the age of 7

**PER IOWA IMMUNIZATION LAW - YOUR STUDENT WILL NOT BE ABLE TO ATTEND SCHOOL
UNTIL PROOF OF THIS VACCINATION IS PROVIDED TO THE LM HEALTH OFFICE.**

There will be NO grace/extension period for the implementation of this requirement.

**Your student will not be able to attend classes August 23rd and will be sent home
until the vaccination is received.**

This immunization can be received at your physician office or Linn-County public health department (319-892-6000). Walk-in clinics do not provide this vaccination.

Parents can provide proof of immunization to the LM Health Office by sending proof of immunization via mail, fax, email or drop off record to health office.

If you have any questions about the status of your student's immunizations,
please call our Health Office at 447-3415

NEWS FROM THE NURSES OFFICE

IMMUNIZATIONS:

6th grade parents, this information is for you! Students are required to have a Tdap immunization (a tetanus and pertussis containing vaccine) prior to 7th grade entry. If your student is seeing their doctor anytime this year for a well check, please ask the doctor to give them their Tdap booster. By being proactive and getting this shot taken care of prior to next fall, you will be saving yourself a trip to the doctor before school starts for the 2017-2018 school year. After they receive the immunization please make sure the Health Office receives an updated copy of the immunization record.

As cold and flu season arrive, we have a few important reminders to help keep your child healthy this winter.

FLU SHOTS:

Flu shots are not required for school attendance, but please know that by giving your child a flu shot, you are decreasing the chances of them catching the Influenza Virus. This year the Quadrivalent Shot will cover 4 strains of Influenza that your child could catch. Please note this year the Flumist is not being offered.

WHEN IS MY STUDENT TOO SICK FOR SCHOOL?

Vomiting or Diarrhea: If your student suffers from either vomiting or diarrhea, they are not to return to school until it has been a full 24 hours since the last time they have vomited or had diarrhea.

Fever: If your student has had a fever, they need to be fever free (temperature less than 100.0 degrees) without the use of Tylenol or Advil for a full 24 hours before they return to school.

Please know that these rules are in the best interest of all of our students and help us to attempt to keep everyone healthy and learning. If you ever have any questions about when it is safe for your student to return to school after being ill, please feel free to call us at 447-3415.

TEXTING WHEN SICK:

We understand it is easier than ever to keep in touch with your children via phones/ texts. With this being said, if your student texts you to let you know they are sick, please ask them to come to the health office to be assessed prior to coming to get them. We will call you with an update on your student and then you can make a decision on whether you need to come and get them. Please know our goal as a health Office is to keep the kids in class and learning. Our criteria for sending them home is temperature greater than 100.0, vomiting or diarrhea. When students leave for the day the attendance secretary records the reason for their departure.

NOTES FROM OFFICE

ABSENCES:

Parents must call the school by 9:00 A.M. when a child will not be in school or will be late for any reason. You may leave a voice mail on the attendance line, 447-3413, 24 hours a day. Please leave your student's first and last name, reason for absence, and a phone number where you can be reached. If we have not received a call by 9:00 A.M, we will attempt to contact you at all phone numbers available to us. If we are unable to verify your child's absence, a visit to the home may be necessary. The absence will remain as unexcused until we hear from you.

HOMEWORK:

If a student has been absent for two or more days, you may call the attendance line and request homework. Requests must be received by 9:00 A.M. and homework will be ready to pick up after 2:00 P.M.

LEAVING DURING THE DAY:

Please send a note with your child to bring to the office before school. They will be issued an early dismissal pass, which allows the student to leave class early and wait for you in the main office. This eliminates classroom interruptions. You must come in to sign them out.

If your child needs to leave school unexpectedly, you may call the attendance number and a pass will be delivered to the student at the next WOW time. If a student needs to leave before passes are delivered, we will call your child down when you come in to sign them out. Please allow as much notice as possible to avoid classroom interruptions.

ARRIVING LATE TO SCHOOL:

Class begins promptly at 8:00 A.M. Students who arrive after 8:00 A.M must sign in at the office. This is considered a late entry. Students in the building but not in class at 8:00 A.M. are considered tardy.
