SEPTEMBER NEWSLETTER

## ROAR PLEDE

At Bowman Woods, we are people of character.

We will be Responsible

We will Opt for kindness

We will Always be safe

We will be Responsible

## Our Mission:

We will all learn at high levels.

Dear Parents,

There are not enough words to thank you for your help as we started the new school year. You were instrumental in helping this be truly one of our smoothest starts to the year ever!

Please know that we welcome and value your input as parents. Please see the calendar included with this newsletter for important dates and opportunities. I am looking forward to our first PTO meeting on Tuesday, September 11th. We have two volunteer orientations scheduled at Bowman Woods this month. Our first orientation is this Thursday (September 6th) at 9:00 in our cafeteria. The next orientation will take place Monday, September 10th at 6:00. Please look for signs once you come into the building to direct you to the meeting in Mrs. Holzwarth's room. We wanted to offer two sessions to make it as convenient as possible.

Please check out our thank you page in the newsletter. If we ever miss anyone, let us know immediately. We want to recognize people, but that comes with the risk of leaving someone off the list. We can make immediate corrections to the online newsletter and/or add it to our next month's edition.

Thank you for your encouragement, trust, and support of all our staff at Bowman Woods. It means the world to us. Thank you for your work with your children each night on reading or the many other ways you are helping to develop their love for learning. It makes a difference. Thank you for attending our parent night meetings or going over the information shared by your child's teacher. Informing parents of the expectations and routines for the year creates student success. Lastly, thank you for sharing your amazing children with us. They are wonderful.

## Healthy Snacks!

Parents, thank you so much for the incredible job you are doing with sending in healthy snacks. As listed in the handbook, healthy snack options include pretzels, baked crackers (including goldfish -except for the extreme cheddar version), fruit or dried fruit, dry healthy cereal, cheese, rolled up lunchmeats, dried meats, plain popcorn, a bread and butter sandwich, healthy granola bars (not chocolate covered), and healthy fruit snacks. Please follow any directives from your child's teacher if your child is in a classroom where there may be severe allergies. Thank you for your help and support. We truly wish to avoid any snacks that will leave residue on our books and/or iPads.

Please know you can call me or email me with any questions or concerns. My email is [tina.march@linnmar.k12.ia.us](mailto:tina.march@linnmar.k12.ia.us). My office line is 447-3241.

Sincerely, Tina March

## Linn-Mar Community School District Bond Vote 2018

TUESDAY, SEPTEMBER 11, 2018

On September 11, eligible voters in the Linn-Mar Community School District will be asked to consider an \$55 million bond package that will support a grade-restructuring plan. This plan will enable the district to construct two new 5-6 intermediate schools, a future elementary school.

This restructuring plan strategically addresses existing and long-term capacity, safety, security, and efficiency issues in our rapidly growing district. Implementation of the plan requires a successful bond vote.

By **2022**, the district's middle schools and three elementary schools will be over, or very close to capacity. Fifth-grade students at Indian Creek Elementary are already learning in portable classrooms.

The two **5th-6th** grade buildings would provide approximately **68** new classroom spaces and house **800** students each. Additionally, moving **5th** graders out of the elementary buildings and the **6th** graders from the middle schools will create valuable class space in nine of our buildings, allowing for future enrollment growth.

Visit [www.linmar.k12.ia.us](http://www.linmar.k12.ia.us) to learn more. Thank you.

## Costume Swap

Do you have costumes at home that you are not using? Do you need a costume? **During conference week- Oct. 16 & 18 (evening hours), Mrs. Wiley will have a rack outside of her office where you can come take a costume, leave a costume, or trade a costume just in time for Halloween.**

But first I need your help. Please check and see if you have any costumes that your children have outgrown or do not use. Send them to school with your child anytime between now and Oct. 15th. If you have a dancer who has old costumes those would be great as well. Ask friends, neighbors, anyone who would like to donate their old costumes. Costumes can be left with Mrs. Matthews in the main office. Please make sure they are clean and in good condition.

Thanks,

Mrs. Wiley

## Why is eRegistration important!!

The eRegistration process is required to be completed annually by all families so we have the most up-to-date information on students, including but not limited to: parent/guardian contact information, health information, emergency contact information, and parental permissions. If you have not yet set up a family account in PowerSchool, please contact your student's building to obtain more information on how to do so.

## Lexia® Core5® Reading

This year your child will be using Lexia® Core5® Reading, a fun computer-based program that has helped millions of students. The activities in Core5 support and build on our classroom curriculum and focus on developing reading skills in six areas: phonological awareness, phonics, structural analysis, fluency, vocabulary, and comprehension.

Here's how Lexia Core5 Reading works:

- Your child begins Core5 at a starting point that fits his or her needs and works in online activities throughout the week.
- Online activities include direct instruction and feedback as your child learns new skills.
- Progress and performance in the program is reported so teachers can provide help when needed.
- Paper-and-pencil activities are also used for practice and may be done in school or brought home.
- Achievement certificates may be sent home to celebrate success and to show progress in the program.

We hope you share in our excitement about this program!

We truly understand that birthdays are special. Students celebrating a birthday or half-birthday get to come to the office for a special birthday band and lead our pledges over the intercom. They are also recognized in the classroom. Due to the Healthy Kids Initiative, we ask that **no food** be sent in for birthdays. This helps us also be sensitive to allergies and reduces health risks. Students will have special treats throughout the year at parties and other activities like the Bowman Blast. These pre-planned events allow our nurse to help us consider the best treat for all students.

Students may bring in stickers, pencils, or other small item to hand out to classmates, but this is completely optional. Thank you for your help.

# Welcome to the Bowman Woods Library!

## The Bowman Woods Library Mission

The mission of the Bowman Woods library program is to provide an inviting, learning environment that encourages technology integration, the development of the 4 C's (Communication, Critical Thinking, Collaboration and Creativity), and the love of reading.

## Library Information

Library checkout takes place during your child's library class time, once every eight days, for grades 3-5 and once every 4 days for grades K-2. Materials are checked out for 10 days and can be renewed if a hold is not placed on it and it is brought to the library. Kindergarteners check out three materials, first graders check out five materials and the remainder of the grades are unlimited. If there is an outstanding fee or late material, the student is not allowed to check out until the fee is paid or the material is returned. Occasionally, we send out notices or emails with overdue information in hopes that the books can be found and returned.

The Bowman Woods Symbaloo is a resource students are introduced to as a way to access kid friendly websites. <http://www.symbaloo.com/mix/bowmanhomepage>

There are reading, math, coding, and keyboarding skill sites already bookmarked for you to explore with your child.

**Add this date to your calendar!**

**Our Fall Follett Book Fair will be October 15-19.**

The fair will be open later during the family conference nights on

Oct. 16 and Oct. 18 until 7pm.

Our first practice will be September 19<sup>th</sup>, we meet Wednesday and Friday mornings from 7:45-8:20 a.m. (Not too early!) I am hoping for a large group of motivated singers who want to learn groovy and challenging music. We have two scheduled performances at our school as well as an event at Linn Mar High School, sporting events, nursing homes, Barnes and Noble night, and any other events that need music celebrations in between. Come check it out and see if you want to be an Early Bird!

### NAME CHANGE!

America  Reads

Thursday, October 25th

## Celebrate Reading!

### AMERICA READS: Reading is Contagious

The AMERICA READS: *Reading is Contagious* event is designed to shine a spotlight on the importance of reading to young children to improve literacy and demonstrate the joy of reading through collective citizen involvement. In the Cedar Rapids metro area, it has become an annual fall tradition, bringing hundreds of volunteers into area schools to share a favorite book with students. AMERICA READS: *Reading Is Contagious* 2017 will be held Oct. 19-20. **Bowman Woods Elementary will have the even on Thursday, October 25th.**

Developed and launched in 1997, the initiative is a collaborative effort between the Cedar Rapids Community, College Community, Linn-Mar, Marion Independent, and Xavier Catholic school districts, as well Summit School and the five public libraries: Cedar Rapids, Ely, Fairfax, Hiawatha, and Marion. Local businesses and organizations provide financial support.

More than 2,500 guest readers visited elementary schools over the two-day period in October 2015. Some 16,000 students benefited from exposure to the enthusiastic readers. Volunteer readers include everyone from parents and middle, high school and college students to school neighbors, senior citizens, business people and local “celebrities”. The community readers share their love of reading by doing just that—each volunteer read a favorite story to a child, a small group of children or to an entire classroom of students.

Numerous studies indicate that children who have been read to on a regular basis are the ones who become good readers. Reading just 30 minutes a day with a child can significantly increase a child’s reading ability. By sharing a story, AMERICA READS volunteers also celebrate their own love of reading with students. That special book might just become someone else’s favorite! After all, reading is contagious!”

If you are interested in signing up to read at our school that day or have questions, please send an email to: [bwamericareads@gmail.com](mailto:bwamericareads@gmail.com).

## Volunteering At Bowman Woods

We are looking forward to a great year of volunteering. Here are four quick items to help us all get started off on the right foot:

1. If you have volunteered in the past at Linn-Mar, but have not gotten any of our emails this year, it's possible that we do not have your renewal form. Please stop in the office to fill one out. This has to be done yearly. Think you've already done that but still haven't gotten one? Please send us an email to let us know!
2. If you are new to the district or to volunteering follow our easy application process: First, fill out a Volunteer Application Form. Second, attend an orientation with Linn-Mar's district coordinator, Karla Terry. Orientations at Bowman Woods are scheduled for Thursday, September 6 @ 9am and Monday, September 10 @ 6pm. Once you complete the orientation, you will be an active volunteer and will start receiving volunteer opportunities like field trips, class parties, workshops, Bowman Blast, etc.
3. Don't forget to record your time. Though it might not seem like a big deal to you, the district uses this important information with writing grants and for other things! New volunteers, we can help you learn how to do this! Just let us know if you need help.
4. Need more opportunities than you see or at a time that works for you? Contact us. We'd be so happy to help make something work for your schedule and interests!
