**Seniors: Make sure you fill out the FAFSA (Free Application for Federal Student Aid) ASAP. We encourage ALL families with students heading to college to fill this out regardless of financial situation. This is the only way to be eligible for federal aid to help pay for colleges and many colleges require it to be filled out for scholarships. If all you receive is loans and don't want them, you can decline aid! It's better to have the form filled out and not need it, than to not have it filled out at all and need it!

Community Events and Other Information…
**Seniors: Just a reminder that all transcript requests to colleges and teacher recommendation letters are done through Family Connection. If you need help with this process stop in the College/Career Center or see your School Counselor.
