GENERAL INFORMATION

Academic Assistance Program

The Linn-Mar High School Academic Assistance Program provides academic support, tutoring, credit completion, credit recovery, and the COMPASS alternative program. Academic Assistance Counselors (**Tony Nicol**, 447-3073, **Danielle Patterson**, 447-3059) facilitate the following program:

- **Tutoring:** Both student and adult volunteer tutors are available for specific subject area support. Tutoring times are arranged during school hours in The Learning Center. **Contact the Tutoring Center (447-3607)** for information.
- **After School Guided Studies:** Linn-Mar has offered academic assistance during the afternoon one day per week. The purpose is to provide academic support in a safe and instructional environment. This support is coordinated by the 9th/10th Grade Team and the Academic Intervention Teacher. Contact Greg Hall, counselor (447-3074) or Becky Cortez, Academic Intervention teacher (447-3426) for information.
- **Credit Completion:** Students receiving failing grades may work with the Academic Assistance Counselors in an effort to complete coursework at a level satisfactory to award academic credit. Determination for this is a joint decision by the teacher, administrator, and an Academic Assistance Counselor.
- **Credit Recovery:** The Academic Assistance Counselors help to coordinate planning for students no longer on pace to graduate with their class.
- **COMPASS Alternative Program:** (located at the LRC, 2999 N. 10th St., Marion). Linn-Mar High School offers an alternative program known as the COMPASS program (Steve Goodall, Associate Principal). Students successfully completing the COMPASS program receive a Linn-Mar High School diploma. Approved students may take selected courses or be involved in the program full-time. Contact the Academic Assistance Counselors for information regarding the COMPASS program.

Announcements

Daily announcements are made to students via LMTV broadcast at the beginning of 1st and 2nd Block. The webcast is posted on the school website daily. It is important for all students and parents to monitor the daily announcements regarding changes in schedules, deadlines, and other important school information.

Attendance

Research supports the close association of success in school and good attendance. Linn-Mar High School believes that good attendance and promptness are important for success beyond high school, and that developing these patterns is an important step in the lifelong learning process.

Parents and guardians should contact the 9th/10th Grades (447-3050) or 11th/12th Grades (447-3046) Offices by phone to notify the school regarding an impending absence. If this is not done, the school will make every effort to contact the parent/guardian at home or work to verify the absence. See the "Linn-Mar High School Attendance Policy".

Behavior Expectations

A safe, secure, disruption-free academic environment is essential to ensure a quality education for all students. All of Linn-Mar High School's rules and behavior expectations are reviewed annually by staff, students, parents, administration, and Board of Education with the goal of maximizing the quality of the academic environment.

Linn-Mar High School uses a system of progressive discipline, beginning with the teaching of behavior expectations and ending with progressively more severe consequences when those expectations are not met. Linn-Mar High School publishes a Board of Education reviewed "Code of Conduct", which is included in the "Student Handbook" and reviewed with students during the first week of school. See the Linn-Mar High School "Code of Conduct".

Blended Learning

A variety of courses at LMHS are offered in a Blended Learning format. Blended Learning course **sections will be in more than twenty course offerings for this school year**. Students involved in Blended Learning will interact with course content through a combination of face-to-face and digital instructional methods. Students participating in Blended coursework are exposed to both face-to-face instruction and online learning on a schedule that flexes day-to-day and week-to-week, depending on individual student and course needs.

Bus Service

Any question regarding bus service should be directed to the Linn-Mar Transportation Department (447-3030). As a general rule, high school students **must live at least three (3) miles** from school to be eligible for bus service. Any eligible Junior or Senior wishing to ride the bus must complete a 'Bus Transportation Request'. The link for this form is on the district webpage.

...GENERAL INFORMATION

Canine Inspection

Linn-Mar High School, in cooperation with the Marion Police Department, conducts routine building and grounds (including parking lots) sniffs using the Marion PD **K-9** units. These inspections are done during classtime, before school, or after school hours. If information is produced during an inspection that constitutes "reasonable suspicion", the administration will conduct a search within the guidelines of established district policy and Iowa statute. (Reference: Board Policy 502.4, 502.4R) **Both drug detecting and explosive detecting K-9 units are used on school grounds.**

'COMMONS' Areas

All 'Commons' areas are learning centers with a variety of seating, resources, and technology options for student use. During school hours, the 'Commons' areas will be utilized by students with Time Release, teacher permission, Blended Learning classes, or Sophomore Release. Appointments with students are made during unscheduled time or Learning Center periods. Students or parents may also schedule appointments before school, after school, or on selected evenings.

The College and Career Center is located in the South Commons area. Students and parents are welcome to browse the college catalogs, college directories, financial aid information, scholarship information, standardized testing information, and career materials at any time. The original block schedule was adopted by the Board of Education in February of 1999, and was adjusted to meet state time requirements in 2012. The modified block schedule is intended to provide students with expanded opportunities, allow teachers to better teach to the various learning styles of individual students, and to further enhance the learning environment at Linn-Mar High School.

...GENERAL INFORMATION

- Early Session (8:00 a.m.-8:25 a.m.) During this scheduled time period teachers are available to meet with students on a drop-in or arranged basis. Opportunities to review, ask questions, complete makeup work, and get more individual instruction occur during this time.
- An Early-Bird period (7:15 a.m.—8:00 a.m.) is also scheduled for Marching Band.
- A slightly adjusted schedule has been established for all class sections taught at the LRC.

Dance Expectations

- Student dress at a dance is a parent responsibility. The administration holds the right to address inappropriate clothing choices. All guidelines concerning student dress code within the Student Handbook apply.
- It is agreed that “grinding,” as defined as — “a student dancing in front of another student with their body pressed into his/her crotch,” is inappropriate and will not be tolerated at school dances. Grinding behaviors may include, but are not limited to, hands on hips, bending over, hands on floor, other inappropriate hand placement.
- It is agreed that there are dance behaviors that ‘cross the line’, including, but not limited to the following:

Clothing or other apparel promoting products illegal for use by minors and clothing displaying obscene material, profanity, or reference to prohibited conduct are disallowed.

While the primary responsibility for appearance lies with the students and their parents/legal guardians, appearance disruptive to the education program will not be allowed. ACADEMIC INFORMATION

Academic Integrity

Academic dishonesty is never acceptable and will not be tolerated. It is unethical for a student to take credit for work that is not their own. Academic dishonesty denies a student the opportunity to acquire skills necessary to succeed in a given content area and future coursework. The following is a listing of some, but not all, examples of academic dishonesty:

- A. Copying the work of another, or plagiarism.
- B. Giving your work to another student, and allowing them to take credit for the work as their own.
- C. Allowing someone else to do your work for you, or doing someone else's work for them.
- D. Viewing, or attempting to view, another student's work during a quiz, test or other assessment.
- E. Using electronic devices, including calculators, to store or compute information without teacher permission.

Extra-curricular activities include, but are not limited to: athletics, music performances not related to daily classroom instruction (i.e. jazz band, show choir), competition speech, and competitions/performances/trips of Linn-Mar High School sponsored clubs, teams, and organizations. **For athletics, this ineligible period shall follow the guidelines of the Scholarship Rule, 281 IAC 36.15(2), which states the student is ineligible for a 30-day consecutive calendar period in the next (or current) interscholastic athletic team in which the student is a contestant.**

Students who receive incomplete grades **shall** be ineligible until all course work is satisfactorily completed. These courses must be completed within ten days after the conclusion of the previous grading period.

These tickets are valid for admission to all Linn-Mar High School athletic events, concerts, and productions, excluding the Spring musical, **Supernova**, **L-M Marching Fest**, **'Get In the Spirit'**, and state sanctioned events. The revenue generated by the sale of these tickets is used to support all programs in the extra-curricular activities program.

Attendance Requirement

Students are required to be in good standing with the "Attendance Policy" in order to be eligible to participate in an extra-curricular activity on a given day.

Conflicts

Every effort is made by school officials to avoid scheduling conflicts. When they do occur, the following criteria are used to prioritize:

1. State level performance
2. District level performance
3. Conference level performance
4. Inter-school competition,
5. Public Performance

Good Conduct Extra-Curricular Activity Policy

Students must maintain good standing in terms of the Good Conduct (Extra-Curricular) Activity Policy developed and reviewed by the Board of Education. Students placed on out-of-school suspension are ineligible to participate in any activities for the duration of the suspension. "Co-Curricular activities have both curricular (graded) and extra-curricular programming. The Good Conduct Extra-Curricular Activity Policy only applies to the extra-curricular programming within a co-curricular activity. *See also "Good Conduct Extra-curricular Policy"*.

Insurance

(Reference: Board Policy 504.9)

It is strongly recommended that a student participating in the interscholastic athletics be adequately insured. A policy from an insurance company determined by the Superintendent, may be obtained through the school. If a parent wishes his/her child to participate without insurance, he/she must submit a written statement accepting full responsibility.

No-Activities Night

(Reference: Board Policy 503.5)

"Sunday and Wednesday evenings are reserved for non-school sponsored student activities. On Wednesdays, no Linn-Mar sponsored activity shall detain students after 6:30 p.m. Any Linn-Mar activity scheduled on Sunday or after 6:30 p.m. on Wednesday must have advance written approval from the Superintendent or his/her designee."

...ACTIVITIES

Physicals

All students must have a physical each year in order to participate in athletics. These physicals must be taken after July 1 and before participating. Forms may be obtained from the school nurse, the main office, or on-line.

Sportsmanship

(Reference: Board Policy 1005.3)

All students and spectators in attendance at Linn-Mar sponsored events are expected to display the highest level of sportsmanship at all times. Respect for the officials, opposing participants, and other persons in attendance is part of this expectation. Inappropriate cheers, chants, booing, taunting, and other unsportsmanlike behaviors are prohibited.

Transportation

Travel to school activities require the use of school transportation unless other arrangements are made with the administration. School permits are legal for transportation from home to practices or events held at a Linn-Mar building or site. Students with school permits may **not** drive to events at other **non-Linn-Mar** schools.

ATTENDANCE POLICY

Attendance Policy-Philosophy

Reference: Board Policies 501.11, 501.12.

Students are expected to attend classes regularly and to be on time in order to receive maximum benefit of the instructional program, to develop habits of punctuality, self-discipline and responsibility, and to assist in keeping disruption to the educational environment to a minimum.

Students who have good attendance records are most likely to achieve higher grades, enjoy school life to a greater degree, and have more post-secondary opportunities after leaving school. Prospective employers expect promptness and regular attendance from employees and are reluctant to hire persons who have not established good habits of attendance and punctuality. Lifelong patterns of responsibility and self-discipline are fostered by regular attendance.

Attendance Notification

Parents are requested to phone the 9th/10th Grades Office or 11th/12th Grades Office prior to noon regarding a student's absence. Attendance notification may take place by phone, in person, or via email generated from a business site. Notes or emails from personal email accounts will not be accepted for attendance. The school will attempt to call parents at home or work if a call has not been received. The purpose of this call is to notify parents and to verify an absence.

Attendance Taking

Attendance is taken daily in each class, during each period including The Learning Center and Sophomore **Commons Release**.

Concurrent Courses

Students taking Kirkwood College Courses at LMHS will be held to the attendance policies of Kirkwood Community College and the individual instructors if these policies are more stringent than the LMHS attendance policy.

College Visits

College or vocational school visitation will be excused provided parent contact has been made with the administration or designee prior to the absence. Students are required to bring verification of the visit to the 9th/10th Grades Office or 11th/12th Grades Office upon returning to school.

Excused Absences (*Reference: Board Policy 501.11*)

Absences for the following reasons will be considered excused:

- Personal illness
- Death or serious illness in the immediate family
- An emergency at home vital to the family welfare
- The funeral of a relative or close friend
- Medical or dental appointments (Note from doctor's office is required for verification)
- Court appearances
- Other as determined by an administrator or designee

Students who miss five days of school in succession or ten days in a given semester may be asked to provide an excuse from a doctor.

Absences that have the prior approval of the administration may be considered excused. The key to this is prior communication with the administration. In most cases, where these requests are received after the absence has occurred, the absence will be considered unexcused. In cases where parent contact has not been made within three school days of the absence, the absence will be considered 'Unexcused'.

Fraudulent Calls

Fraudulent phone calls are considered a violation of the Code of Conduct.

Majority Age

See "General Information", "Majority Age".

ATTENDANCE POLICY

Signing In/Out

Students who come to school late must sign in at the 9th/10th Grades Office or 11th/12th Grades Office. They will then be given a pass to class. Students who need to leave school early are responsible for picking up their own passes, earlier that same day, and then signing themselves out when they need to leave school. Passes will be delivered to students only when the parent/guardian notifies the appropriate office that the student is unaware of the appointment.

Tardies

Students who are not in their assigned instructional area or The Learning Center when the bell rings will be considered tardy. Students arriving late must have a pass, signed by a teacher or other staff member, in order to be excused.

The following consequences are applied for excessive tardiness to a class:

Tardy #1-#3—Warning, detention with teacher.

Tardy #4—Referral to the Student Dean, After School Detention, Loss of Time Release, Hallway restriction.

Tardy #5— Referral to the Student Dean who will assign in-school suspension, Loss of Time Release, Hallway restriction, and arrange parent, student, counselor and administrator conference.

Tardy #6—Referral to the Student Dean, student dropped from class with "F" grade, student assigned to the appropriate Learning Center area.

Code of Conduct-Authority

- *Reference: Code of Iowa No. 279.8.* The Board of Directors shall make rules for its own government and that of the directors, officers, employees, teachers, and pupils..."
- *Reference: Board Policy 502.1.* "

Unexcused Absences

Absences for the following reasons may be considered unexcused:

- Truancy
- Working/job related
- Missing a bus
- Shopping
- Oversleeping
- Car or related problems
- Picture, hair, tanning, or other appointments
- "Senior Skip Day" (never school-sponsored)
- No reason provided, and no parent contact within three days of the absence
- Other absences not listed as "excused"

Any time a student has **four** unexcused absences in any class during a given semester, Linn-Mar High School will consider this as excessive and the student may be dropped from the class with an "F" grade.

Consequences -

The following actions will be taken when an unexcused absence occurs: 1st unexcused absence-parent notification, detention, possible hallway restriction or loss of time release. 2nd unexcused absence-detention, referral to Student Assistance Counselor, 1-3 weeks hallway restriction or loss of time release. 3rd unexcused absence-In-school suspension, mandatory session with Student Assistance Counselor, 3-6 weeks hallway restriction or loss of time release. 4th unexcused absence-student dropped from class with an "F" grade.

...ATTENDANCE POLICY

Vacations

The school feels that family vacations during school time place a hardship on the student, and therefore encourages parents to arrange vacations to coincide with school vacation time. Those family vacations, which cannot be taken at such a time, may be excused, provided notice is given to the school (directly from parent to school official) at least five days in advance and all schoolwork is made up prior to the absence.

GOOD CONDUCT (EXTRA-CURRICULAR) ACTIVITY POLICY

Philosophy

Reference: Board Policies 502.5, 502.5R1, 502.5R2, 502.5R3

Participation in school activities is a privilege. School activities provide the benefits of promoting additional interests and abilities in the students during their school years and for their lifetime.

Extra-curricular programs are voluntary programs. No student is obligated to take part in school activities. Participation is not required for advancement or graduation. Furthermore, school boards have the authority to adopt "good conduct rules". (Board of Directors of the Independent School District of Waterloo vs Green, 147 N.W. 2d 854, 1967.) The basis of "good conduct rules" may apply to extra curricular activities beyond athletics. (Bunger vs Iowa High School Athletic Association.)

Students who fail to abide by this policy and the administrative regulations supporting it may be subject to disciplinary measures. The principal, or designee, shall keep records of violations of the Good Conduct (Extra-curricular) Activity policy.

It shall be the responsibility of the superintendent, in conjunction with principals, to develop rules and regulations for school activities. Students wanting to participate in school activities must meet the requirements set out by the school district for participation in the activity.

Students involved in activities serve as ambassadors of the school district throughout the calendar year, whether away from school or at school. Students who wish to have the privilege of participating in co-curricular activities must conduct themselves in accordance with Board policy and must refrain from activities, which are illegal, immoral, or unhealthy.

Alcohol, Tobacco, Drugs

(Reference: Board Policy 502.5R) Students who participate in extra-curricular activities involving public performances are prohibited from possessing, using, transporting, controlling, or transmitting tobacco, alcohol, or other drugs at any time (year around) during his/her middle school or high school career. This rule applies to students 365 days per year while in school, out of school (any location), or at school events (either home or away).

Violations

The administration will suspend a student from participation if it is determined that a violation did occur.

Suspensions may also result from legal documentation, from admission by the student, or as a result of an investigation conducted by the administration. Parents will be notified any time the administration becomes aware of a possible violation.

In order for a suspension to be put into effect, it must be clearly determined that the violation did occur. It is clear that an admission from the student is not required prior to disciplining a student. (Schmahl vs. Glenwood Community School District, 2 D.P.I. App Dec. 26, 1979.)

If a student is guilty of an infraction and is not currently involved in an activity, the suspension will become effective utilizing the activities the student was involved in during the previous year.

Sanctions for Violations

1st OFFENSE: Suspended from at least 20% of public performances, with carryover to next activity. Counseling required prior to reinstatement (suspended from at least 33% of performances if no progression in counseling). Must continue to practice. In the case of an activity with a consecutive sequence of programming, such as a competition or field trip, the student will be suspended from the event program.

2nd OFFENSE: Suspended from at least 50% of public performances with carryover to next activity. Counseling required prior to reinstatement. Must continue to practice. In the case of an activity with a consecutive sequence of programming, such as a competition or field trip, the student will be suspended from the event program.

3rd OFFENSE: One-year suspension from extra-curricular activities. Counseling required prior to reinstatement for all third offenses.

4th OFFENSE: Permanent suspension from extra-curricular activities. Counseling available for all fourth offenses.

Established school, team, group rules may also apply to violations. If a violation occurs before the suspension for a previous violation has been served, the suspensions shall be added together and served concurrently.

...GOOD CONDUCT (EXTRA-CURRICULAR) ACTIVITY POLICY

Public Performance Activity—An extra-curricular activity where students are expected to perform in activities which the public may view. In Athletics, a public performance will include those interscholastic contests for which a final score is recorded in a team's won/loss record. In Fine Arts, Clubs/Organizations, and Cheerleading/Poms, public performances will be determined by the official schedule of events for the specific activity. Any activities added or rescheduled to the official schedule of events following the first required meeting will count as public performances. Activities begin with the first required meeting for any participant and end when equipment is checked in, set is struck, or the last required meeting occurs, etc. Athletic seasons are defined by state or local designated starting and ending dates.

Search and Seizure

(Reference: School Board Policy Number 502.4, 502.4R)

In order to protect the health and safety of students, employees and visitors to the school district and for the protection of the school district facilities, students and their belongings, school owned lockers and desks may be searched or inspected. A search of a student will be justified when there are reasonable suspicions that the search will turn up evidence that the student has violated or is violating the law or school district policy, rules, or regulations affecting school order. Reasonable suspicion may be formed by considering factors such as the following:

1. eyewitness observations by employees
2. information received from reliable sources
3. suspicious behavior by the student or
4. the student's past history and school record although this factor alone is not sufficient to provide the basis for reasonable suspicion.

A search will be permissible in its scope or intrusiveness when the measures adopted are reasonably related to the objectives of the search. Reasonableness of scope or intrusiveness may be determined based on the factors such as the following: the age of the student, the sex of the student, the nature of the infraction, and the emergency requiring the search without delay.

A student's body and/or personal affects (e.g. purse, backpack, etc.) may be searched when a school official has reasonable suspicion to believe the student is in possession of illegal or contraband items or has violated school district policies, rules, regulations or law affecting school order.

Student Records

(Reference: School Board Policy Number 505.6, 505.62)

Student records containing personally identifiable information, except for directory information, are confidential. For a complete copy of the school district's policy on student records or the procedure for filing a complaint, contact the board secretary in the Educational Services Center.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the district receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading or in violation of the student's privacy rights. Parents should write the school principal and clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. The Linn-Mar Community School District believes weapons and other dangerous objects in school district facilities cause material and substantial disruption to the school environment, or present a threat to the health and safety of students, employees, and visitors on the school district premises or property within the jurisdiction of the school district.

School District facilities are not an appropriate place for weapons or dangerous objects. Parents of students found to possess a weapon or dangerous objects on school property shall be notified of the incident. Confiscation of weapons or dangerous objects shall be reported to law enforcement officials, and the student will be subject to disciplinary action including suspension or expulsion.

Students bringing a firearm to school shall be expelled for not less than twelve months. The Superintendent shall have the authority to recommend this expulsion requirement be modified for a student on a case-by-case basis. For purposes of this portion of this policy, the term "firearm" includes any weapon which is designated to expel a projectile by the action of the explosive, the frame or receiver of any such weapon, a muffler or silencer for such a weapon, or any explosive, incendiary or poison gas.

Weapons under the control of law enforcement officials shall be exempt from this policy. The principal may allow authorized persons to display weapons or other dangerous objects for educational purposes. Such a display shall also be exempt from this policy. It shall be the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy.
