

**LINN-MAR HIGH SCHOOL 2020-21 SCHOOL YEAR
PANDEMIC HYBRID SCHEDULE NON-CLASS CAMPUS RELEASE PERMISSION FORM**

During the current pandemic while Linn-Mar High School is using the LMHS Hybrid Schedule, all students in grades 9th-12th at Linn-Mar High School are allowed Non-Class Campus Release during the school day provided they have parent approval. Students with parent approval for Non-Class Campus Release must leave campus in a timely fashion (during passing time before tardy bell). 9th and 10th grades students with Non-Campus Release but not leaving campus MUST report to their scheduled non-class assignment (Learning Center, Study Table, Lunch). 11th and 12th grades students may utilize single tables in building commons areas. The purpose of implementing the Pandemic Hybrid Schedule Non-Class Campus Release is to keep student numbers to a minimum at any one time and also to allow students to only have to be in the building during class time until the pandemic has ended.

When we return to the Regular Daily Schedule for 2020-21, Non-Class Campus Release will no longer exist for 9th and 10th grades students. At that time, 11th and 12th grades students with parent permission may be granted Time Release, with all Time Release policies and requirements being reinstated at that time.
