

Counselor's Information:

Preschool Resources

**Every school counselor and student assistance counselor is available to support students during this time. Please feel free to reach out to them via email to set up a time to talk. If your family is in need for reaching community support and/or resources, please contact our Family Resource Specialist, Katie Smith. The link below will take you to a Linn-Mar webpage where a list of resources has been collected for families. School counselors and Student assistance team members' contact information is also on this webpage.*

Phone Number Cover Up

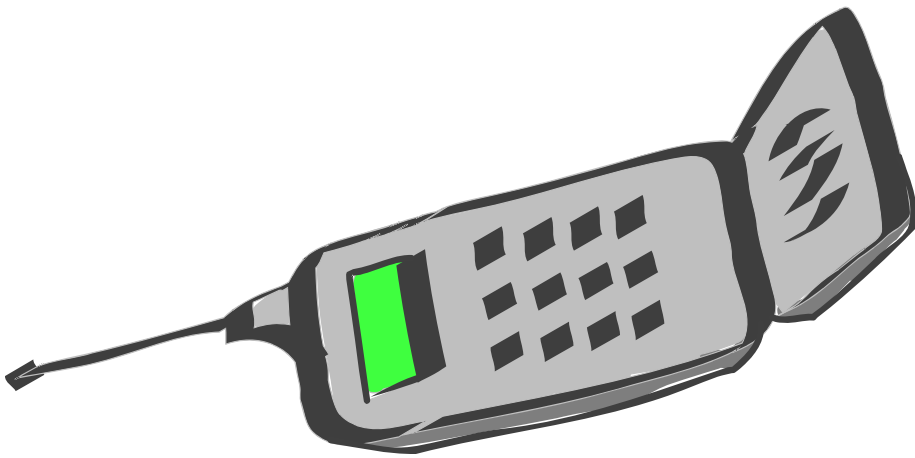

Materials: A *Phone Number Cover Up* game board for each player, tokens (7 per player), 2 dice, erasable markers

Objective: To be the first person to cover up all the numbers your board.

To Play:

1. Players write their phone numbers on their boards with erasable markers, one number per space.
2. Players decide who will go first.
3. Players take turns rolling the dice and adding or subtracting the two numbers rolled and covering up that number on their board. Only one number can be covered up per turn. If the number is already covered up, the player's turn is over.
4. The game ends when every number on one player's board is covered. That player is the winner.
5. Players erase their boards when finished playing the game.
