Class of 2020 Parents

I hope you are all doing well. We have the LMHS Class of 2020 Commencement video link to provide to you. I have attached the link for you to download the video.

A couple of notes regarding downloading and the video itself:

When you 'click' on the link it will take you to a Dropbox.

You will need to download the file (click on the down arrow on the right side of the screen). It will take about 20 minutes to download the entire file. This is a large file in HD, so I apologize it will take some time to download but the video is high quality. (If you 'play' prior to downloading the entire video you will only get one hour of the ceremony).

If you wish to follow along, the video follows the entire Commencement ceremony as listed in the Commencement program. You can scroll through the ceremony quite easily once it is downloaded.

The order of students receiving diplomas is the same as during May 21-24. Each student name will also appear on the screen as they receive their diploma.

The moving of the tassels (of each of the 101 groups) and acknowledgements begin with about 17 minutes remaining in the video.

Student email accounts no longer exist so we are sending to all of you to help get the link to the students. It will also be placed on the district website as well.

The livestream of each individual ceremony from May 21-24 is still available on the district website as well.

We thank everyone for your patience and support for your graduate(s) and the entire class through the graduation process. I do hope you enjoy having this video as a reminder of a special group of graduates.

Best wishes to all of you and to the Linn-Mar High School Class of 2020.

Jeff Gustason, LMHS Principal
