Linn-Mar Families,

We want you to know that we are deeply saddened by the devastation in our community including our school buildings. This is our home and we realize that all of us have been affected by this unprecedented tragedy amidst a global pandemic. Because of this, we need to adapt and give our families, students, and staff the ability to take care of our homes and families before we worry about school. Linn-Mar is a special community and we know that we will rise above the challenges from this situation.

We plan to delay the start of the school year by three weeks. Staff will now start on August 31st and students will start on September 14th. School registration will be delayed as the power outage has impacted e-registration. We are also delaying the option for families to sign up for the Family Choice Model until Friday, August 21. The board extended 7th and 8th graders in the hybrid model through the end of the first quarter. Unfortunately, middle school extra-curricular activities have been cancelled for the fall.

For more information on our return to learn plans, please check our website.

Take care and stay safe

Shannon Bisgard, Linn-Mar Superintendent
