

Musings from Mrs. March

Happy October! It has been a tremendous joy having all of our students together this week. The students continue to do an incredible job in all areas.

Your children are doing an exemplary job in the classroom. They are engaged and happy. We are hoping to get more pictures posted daily on our Bowman Elementary School Facebook page as we move forward this year.

We want to thank you for doing a tremendous job of helping your children at home. They are coming to school prepared and ready to learn. They have masks and water bottles. They are well-rested. They are bringing library books back on library days. They are wearing tennis shoes in gym. They are rarely coming without a mask, but when that happens, we are able to provide one thank you to our volunteers. You are doing a tremendous job of washing masks. It truly takes a village and we could not be doing this successfully without the support and help from our parents and guardians.

The one thing pertaining to class that we could use some reinforcement on regards snacks. We have seen cookies, Poptarts, fried chips, and other unhealthy snacks coming to school. We really want to stick to our list of healthy snacks. There are so many great choices outlined in our family handbook. Thanks for your help!

Virtual Family Trivia Night

Friday, October 16, 2020 from 6-7:30pm
Hosted by Andrew Juhl of Andrew's Bar Exam

Calling all Bowman Woods students! Bring your families together for a fun night of trivia. Compete against your classmates and friends!

This free event is sponsored by the PTO with funds YOU earned through redemption efforts.

Look for a separate email with more information.

Bowman Woods Roaring Run Down

Reminders

Parents, please help keep our bus and van students safe. Please use the drive in back to drop students off in the mornings unless your child is eating breakfast. In that case, your child needs to be dropped off between 8:00 and 8:10.

Masks are required on campus. Please remember to wear a mask when walking students to the door if your child is tardy or arriving for an appointment or when waiting for your student to exit the building for appointments.

eRegistration and instructional supply fees were due before the first day of school. Checks may be sent with your student or mailed to the office directly. If you have any questions please call the office at 447-3240.

Thank You

We are grateful for our volunteers who helped make a great start to our year. We could not do it without you.

1st Grade Cutting Project: Elizabeth Strimple, Janet Master, Andrea Bales, Bill Snapp, Paula and Tom Moran, Jamie Daman, Molly Martin
