

**Linn-Mar High School**  
**Daily Announcements**  
**Wednesday/Thursday Feb. 24-25**

Attention Linn-Mar students ...Whether you are a 100% in person student, hybrid student or 100% online student the class expectation is still the same. YOU must show up to class on time!

As a reminder students need to enter into the building either in Door #3 or Door #13 during the school day. Please enter the building during schedule passing times. Do NOT open doors for students or visitors or food delivery items.

This Week, Student Council is sponsoring the annual Food February Donation Drive. This drive will help restock the Lion Pride Food Pantry! This Pantry services many students here at the high school who have food insecurities at home and allows them the opportunity to take food home, discretely, without worrying about where their next meal is coming from. The pantry is heavily used and is in constant need of restocking! There will be donation boxes at each of the 3 offices, 9/10, 11/12 & Main all this week. Also, we will have a Drive-By donation opportunity this Saturday am from 8-12 at the Door #13 circle drive.

There is a brand-new class starting next year that you should know about. **Agriculture Power and Technology** covers GIS, GPS Technology, Wind Energy, Solar Power, Alternative fuels, and the use of robots and drones in agriculture. Meanwhile if you are interested in science, you should consider taking Animal and plant Biotechnology, OR Agricultural Research and Development. These classes allow you to develop college level science lab skills and complete an experimental research project of your choice. Research projects can then be entered in to local and state science and technology fair. If any of this sounds cook to you, be sure to see Ms. Lemmer as soon as possible for more details.

Anyone looking for scholarships beyond the ones offered through the Linn-Nar Foundation, are encouraged to find out what scholarships your college of choice may have, as well as Naviance for many National searches. Log in to Naviance, go to Scholarships and Money tab, and then National Scholarship Search. Please see your counselor if you are having difficulty viewing this site.

Login to your Naviance page (through the Linn-Mar school website) and checkout the growing Scholarship List. Many are active at this time, and new ones are added daily.
